Report of the Board of Directors Unaudited Financial Statements 30th June 2012

The Board of Directors of Supreme Ventures Limited is pleased to present the unaudited financial results for the six months 1st January 2012 to 30th June 2012.

The company's net profit after tax of \$506.20M reflected an increase of 26.07% or an increase of \$104.69M, when compared to \$401.51M net profit after tax for the half year of 2011. The Earnings per Share was \$0.19, up from \$0.16 for the corresponding period in 2011. A comparison of the second quarter performance (April to June) showed a net profit after tax of \$322.37M this year, compared to \$196.08M in 2011, a significant increase of 64.4% for the comparative second quarters.

Total revenues for the six month financial period of \$15.435B, represents a 17.83% increase or \$2.336B, compared to \$13.099B for the corresponding period in 2011.

Here are some other financial highlights for the six month financial period:

- ✓ 4.31% increase in total assets over the corresponding period last year
- ✓ 85.57% increase in profit from operations over the corresponding period last year
- ✓ 18.41% increase in Lottery revenue over the corresponding period last year
- ✓ 137.67% increase in Sports Betting revenue over the corresponding period last year
- ✓ 2.5% decrease in the VLT/Slot Drop revenue over the corresponding period last year
- ✓ 15.29% increase in cellular phone PIN Code revenue over the corresponding period last year
- ✓ 17.27% increase in prizes paid for Lottery and Sports Betting over the corresponding period last year
- ✓ 17.97% increase in Agent Commission paid over the corresponding period last year
- ✓ 22.96% increase in contributions to the CHASE Fund compared to the corresponding period last year
- ✓ 15.62% decrease in finance costs over the corresponding period last year

The company has seen growth in its lottery and gaming revenue particularly for the Cash Pot and newly introduced Pick 4 games. The Cash Pot game model is designed for 72.22% prize liability. The game performed within its design at 68.21% for the second quarter (April to June), compared to a 72.23% liability for the first quarter of the financial year. The average liability for the six month period was 70.3%. This resulted in prize liabilities falling with budget for the period.

Introduction of the Pick 4 game to diversify the gaming portfolio has reaped some benefits. The volatility of the fixed odds/payout games is now being more equitably shared. This will continue to bring higher profits, if the games continue to operate within their design.

The Lotto Jackpot climbed to \$110M during the financial period and was won on 23rd June 2012. The jackpot was won by one person.

Sports Betting revenues continue to increase significantly, even though the planned roll out strategy has been slow in implementation. There continues to be challenges in finding suitable third party locations to meet the stringent requirements for approval by the Regulators.

The gaming lounges saw a marginal decrease in Net Win but the company continues to take the right steps to market and meet customer needs. Fifty new machines were introduced on the gaming floors of Acropolis Barbican, Portmore and May Pen. Plans are in place for significant changes to Coral Cliff.

CORPORATE SOCIAL RESPONSIBILITY

Supreme Ventures Limited had made a commitment to Jamaica's London 2012 Olympic programme through the contribution of \$10.72M to the Jamaica Athletics Administrative Association (JAAA) and the Jamaica Olympic Association (JOA). Both commitments were honored.

The company is also a national sponsor of the Jamaica 50 Celebrations. We have been integrally involved in national events and sponsorships that fall within this umbrella.

These include:

- The JAAA Supreme Ventures National Championships
- The Sunshine Series between Jamaica's Sunshine Girls and South Africa's national netball team
- Miss Jamaica World Competition
- The Jamaica 50 Jubilee Village
- The Herb McKenley documentary
- The upcoming Royal Philharmonic Orchestra's visit to Jamaica

SVL also conducted a PICK 3 promotion for the game's players, in keeping with the Jamaica 50 theme.

OUTLOOK FOR THE FUTURE

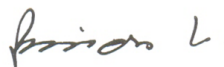

The company continues on a path for improved profitability in 2012. As such, the management team remains focused on initiatives that will improve the efficiency of the Group's corporate structure and operations.

The Board of Directors has declared a quarterly dividend payment of \$0.08 per share for Shareholders on record as at 15th August 2012, with an ex-dividend date of 13th August 2012. The payment will be made on 30th August 2012.

The Board of Directors thanks all its stakeholders for the commitment and support they continue to show in the Supreme Ventures Group of Companies
