Notice

NOTICE OF ANNUAL GENERAL MEETING

NOTICE is hereby given, that the Annual General Meeting of Supreme Ventures Limited will be held at The Knutsford Court Hotel (Grand Caribbean Suite), 11 Ruthven Road, Kingston 10, Jamaica, West Indies, on Tuesday, 3rd June 2014 at 10:00 a.m., to consider and (if thought fit), pass the following Resolutions:-

Ordinary Resolutions

1. *Audited Accounts*

"That the Audited Accounts for the year ended 31st December 2013 and the Reports of the Directors and Auditors, circulated with the NOTICE convening the Meeting, be and are hereby adopted."

2. *Interim Dividends*

To approve and ratify interim dividends:

To consider and (if thought fit), pass the following Resolution:-

"That the interim dividends paid of eight cents on 17th June 2013, three cents on 2nd September 2013, three cents on 8th January 2014 and three cents paid on 26th March 2014, totalling seventeen cents, be and are hereby declared as final and that no further dividend be paid in respect of the year under review."

3. *Election of Directors*

a) In accordance with Articles 105 and 106 of the Company's Articles of Incorporation, the following Directors retire by rotation and, being eligible, offer themselves for re-election:

- Ian Levy, OD
- Barrington Chisholm
- Brian George

(i) "That Director Ian Levy, retiring pursuant to Articles 105 and 106 of the Articles of Incorporation, be and is hereby re-elected."

(ii) "That Director Barrington Chisholm, retiring pursuant to Articles 105 and 106 of the Articles of Incorporation, be and is hereby re-elected."

(iii) "That Director Brian George, retiring pursuant to Articles 105 and 106 of the Articles of Incorporation, be and is hereby re-elected."

3. Election of Directors (continued)

b) In accordance with Article 103 of the Company's Articles of Incorporation, Messrs. Peter Chin and Ian Moore having been appointed since the last Annual General Meeting shall retire, and being eligible, offer themselves for election to the Board.

(i) "That Mr. Peter Chin, be and is hereby elected a Director of the Company."

(ii) "That Mr. Ian Moore, be and is hereby elected a Director of the Company."

4. Directors' Remuneration

(a) "That pursuant to Article 84 of the Company's Articles of Incorporation, the Directors' remuneration shall be such an amount as the Board of Directors, or any appropriate Committee of the Board of Directors, may determine,"

(b) "That the Directors be and are hereby empowered to fix the remuneration of the Executive Director(s)."

(c) "That the amount shown in the Accounts of the Company for the year ended 31st December 2013, as remuneration of the Directors for their services, be and is hereby approved."

5. Appointment of Auditors and their Remuneration

"That Messrs. KPMG, having signified their willingness to serve, be and are hereby appointed as Auditors of the Company until the conclusion of the next Annual General Meeting, at a remuneration to be agreed with the Directors."

A member of the Company, entitled to attend and vote, is entitled to appoint a Proxy to attend and vote in his stead, and a Proxy need not be a member.

If you are unable to attend the Meeting, a Form of Proxy is enclosed for your convenience. When completed, this Form should be deposited with the Secretary at Sagicor Sigma Building, 8th Floor, 63-67 Knutsford Boulevard, Kingston 5, Jamaica, W.I., not less than 48 hours before the time appointed for the meeting. The Proxy Form should bear stamp duty of J$100.00 or its equivalent, before being signed. The stamp duty may be paid by adhesive stamps, which are to be cancelled by the person signing the Proxy.

DATED this 12th day of March 2014

BY ORDER OF THE BOARD

Lorna Gooden
CORPORATE SECRETARY

Games people love to play...and more

Business Highlights

Chairman's Statement

Paul Hoo
Chairman

Dear Shareholders,

I am pleased to be sharing with you, that despite a very challenging year in the Jamaican economic climate, the Group posted a modest profit after tax of $482.6M. Notwithstanding the challenges, the Board of Directors continued to put the return on investment for our shareholders in sharp focus and paid dividends of seventeen (17) cents per share, for the year under review.

We are heartened by the fact that the Government has passed the first three IMF tests and take this success with confidence, that the economy is poised for recovery going forward. We believe that the economic reforms will benefit Jamaica, by reducing unemployment and increasing disposable income.

Efforts to get Jamaica ready as a logistics centre, will open up substantial opportunities for future job creation and business development. The logistics hub is expected to include an information technology (IT) component and we recognize that a strong IT structure will be critical to Jamaica's success. As internet penetration deepens in Jamaica and smartphone usage becomes more convenient, the mobile gaming potential will allow for wider distribution channels for our gaming products. Sports betting and lottery gaming sales will definitely benefit from accessibility to a mobile platform. We therefore look forward to the Government passing the necessary legislation, to facilitate better use of IT in our business operations.

The Group is also cognizant of the bids received for the integrated resort development programmes and the potential for large casino operations in western Jamaica. With the opening of our own Odyssey Gaming Lounge in Kingston during February 2013 and upgrading of the game offerings at the Acropolis Barbican in Kingston, we remain committed to the gaming lounge business for the local community.

The Lottery Licence was renewed by the Betting Gaming and Lotteries Commission (BGLC) on 28th February 2013, with new conditions to Prime Sports (Jamaica) Limited. The Licence will be in effect until 10th January 2033. We commenced lottery sales on Sundays and public holidays, in April 2013. This unprecedented move resulted in $2.7B of additional

Chairman's Statement

revenues over 39 Sundays and 6 holidays. Included in the new Conditions, are the requirement for an additional cumulated US$5M to be invested by 2018 and the Company losing its share of unclaimed lottery prizes, with this portion now being paid to the BGLC. The total unclaimed prize funds are now split equally between the Culture, Health, Arts, Sports and Education Fund (C.H.A.S.E) and the BGLC. This is expected to have a significant impact on the Lottery's ability to fund prize promotions, sponsorships and donations in 2014 and beyond.

The Board of Directors has reviewed the Corporate Governance Code and strengthened its tenets, to provide greater oversight of the Company's operations by the Board. This included a new procurement policy, for better efficiency and internal controls.

We appointed two new independent Directors to the Board, Messrs. Peter Chin and Ian Moore on 4th June 2013. They replaced retired Directors Dr. David McBean and Mr. Curtis Martin. We express our appreciation for the contribution Dr. McBean and Mr. Martin made to the success of the Company during their tenure on the Board.

The transition to KPMG Chartered Accountants as external auditors, arising from the termination of operations by Deloitte Touche Tohmatsu Limited in Jamaica at the end of August 2013 was a smooth one. The engagement was initially for independent observation of the lottery game draw proceedings. Full engagement for the Group's statutory audit was awarded by the Board on 11th September 2013.

We are pleased to have brought our company secretarial services in-house, with the establishment of a Corporate Secretariat in June 2013. The Unit is managed by Lorna Gooden, our former Assistant Vice President of Group Finance. Lorna was appointed to the position of Corporate Secretary on 4th June 2013. This appointment is in keeping with the Company's philosophy of affording opportunities for growth and development to its management personnel.

We are fully committed to investing in the gaming business, notwithstanding the challenges in our environment. We will continue to create value and increased returns for our shareholders, while playing our part as a good corporate citizen.

On behalf of the Board, I would like to thank the senior executive team, staff, agents and customers, for their continued support and loyalty to the company.

Paul Hoo
Chairman

Corporate Governance

The Board of Directors of Supreme Ventures Limited (SVL) is collectively responsible for the performance of the Company and its subsidiaries. One of the primary responsibilities of the Board of Directors is to ensure that the Company and its subsidiaries ("the Group"), have a robust and effective corporate governance framework, which is vital to the preservation of shareholder value and confidence in the Group. A copy of the Group's Corporate Governance Policy is available on our website at http://www.supremeventures.com.

The Board has adopted an enterprise-wide approach to corporate governance by ensuring adherence to a uniform set of corporate governance policies and procedures throughout the Group. The Corporate Governance Code will be reviewed annually by the Board, to ensure that it remains relevant and is in keeping with best practices.

SVL's Corporate Governance Code documents the corporate governance framework of the Group. This ensures that the Company and all subsidiaries adhere to a standard corporate governance policy that represents best practices, inclusive of recommendations taken from the Private Sector Organization of Jamaica (PSOJ) Corporate Governance Code and the Jamaica Stock Exchange (JSE) rules.

The Code:

a) Adopts best corporate governance practices implemented by a public company under the guidance of the Board of Directors;

b) Defines the procedures and processes to which the Group of companies is directed and controlled.

c) Specifies the distribution of rights and responsibilities among the different participants in the organization, such as the Board of Directors, the management, Shareholders and other stakeholders.

Board Responsibility

The Board's primary responsibility is to provide strategic direction for the Group and approve management's business plans to effect the strategic and operational goals. The Board sets the strategic direction of the Group and ensures that it gives management direction where needed, to ensure that the goals are met. The Board also ensures the fair and equitable treatment of all stakeholders, including minority shareholders.

While executing its duties, the Board takes into account all parties whose interests are associated with those of the Group, as well as creditors and employees who are directly affected by the operation of the Group.

The Directors are expected at all times to exercise sound independent business judgement in what they reasonably believe to be in the best interest of the Group. In discharging that obligation, the Directors rely on the honesty and integrity of the Group's senior management and expert advisors, including auditors.

SVL's Board met twelve (12) times during 2013, to ensure that the Board's mandates were effectively addressed. The responsibility of the Board is outlined in an approved Board Charter, which includes the following duties and functions:

Corporate Governance

- Provide strategic direction for the Group and approve management's business plans to effect the strategic and operational goals;
- Articulate the organization's values, vision, mission and strategies;
- Discuss and approve annual budgets, capital expenditures, acquisitions and divestitures;
- Monitor and formally evaluate the performance of senior management and align executive remuneration with their qualification and experience;
- Install effective and robust internal control systems and risk management procedures;
- Monitor the performance of the Board against the strategic goals determined;
- Review management's performance;
- Ensure that the Group's obligations to shareholders are understood and met;
- Ensure that Board Members behave ethically and promote throughout the Group, behaviour that is consistent with the culture and values of a high-performing organization;
- Create the right framework for ensuring that Directors meet their statutory duties.

Size and Composition of the Board of Directors

As at 31st December 2013, the Board was comprised of 11 Directors and chaired by Mr. Paul Hoo. The size and composition of the Board, permits the Board to be effective in exercising its powers and duties. The number of Directors as guided by the Articles of Incorporation should not exceed twelve.

The Board's composition reflects Directors drawn from diverse backgrounds, thereby creating a balance of independence, knowledge, experience, leadership skills and perspectives, to allow the Board to work effectively. SVL's Directors are recognized as strong leaders in their respective fields of work. Our Directors take care in ensuring that decisions are made after careful deliberation of relevant information. The appointment and retirement of Directors shall be governed first by the Articles of Incorporation of the Company and thereafter by standards/ criteria imposed by the Board or the Group's Regulators.

Designations include Chairman, Deputy Chairman, President & CEO, Executive Director(s), Non-Executive Director and Independent Non-Executive Director.

Independence

In determining the independence of proposed candidates or current members, the Board of Directors should consider the person not independent when he or she:

- Is or has been an employee, senior executive or Chairman of the Board of Directors of the Company or its subsidiaries within the last three (3) years;
- Receives or has received during the 12 months prior to his appointment, any compensation

Corporate **Governance**

from the Group other than Board membership fees approved by the General Meeting of Shareholders of the Company;

- Has or had within the past year, a material business relationship with the Company or its subsidiaries, particularly as a significant client, supplier or consultant to the Group or as a partner, shareholder, Board member or senior executive of an entity that has such a relationship with the Company or its subsidiaries;
- Has been the External Auditor of the Company or its subsidiaries or has been a partner or employee of a firm that provides external auditing services to the Company or its subsidiaries within the last three (3) years;
- Has a second degree kinship with or is the spouse of a non-independent Board member, senior executive, adviser or significant shareholder of the Company or its subsidiaries;
- Controls directly or indirectly through related parties, more than 5% of the voting rights of the Company or represents a significant shareholder of the Company or its subsidiaries.

All Directors shall act independently and bring an independent mind to bear on matters coming before the Board.

Directors shall notify the Board of any change in status that may affect their Independence. When notified, the Board will evaluate the Director's independence.

Audit & Compliance Committee

The Audit and Compliance Committee was established by the Board, to assist the Board of Directors in fulfilling its oversight responsibilities for the financial reporting process, the system of internal controls, the audit process and the Group's process for monitoring compliance with laws, regulations and the code of conduct. The Terms of Reference of the Committee is governed by an approved Charter. The quorum for the Committee meetings is three and this must include two independent members.

The functions of the Audit and Compliance Committee to:

- Monitor the integrity of the Financial Statements of the Group. To review annual and interim reports, preliminary results, announcements and any other formal announcement relating to financial performance;
- Review arrangements for employees;
- Review significant financial reporting issues and judgements, summary financial statements, financial returns to Regulators and any financial information to be reported in other documents which may impact share price;
- Keep under review, the effectiveness of internal controls and risk management systems, by examining steps taken by the Board and management of SVL, to control exposure to significant risks;

Corporate Governance

- Monitor and review the effectiveness of internal audit functions, in the context of the overall risk management systems;
- Consider and make recommendations to the Board with respect to matters for approval at General Meetings, including the appointment, re-appointment and removal of the external auditors. In addition, the Audit and Compliance Committee will oversee the selection process for new auditors and shall investigate issues leading to the resignation of auditors where applicable;
- Oversee the relationship with the external auditors;
- Review and approve the annual audit plan and ensure that it is consistent with the scope of the audit engagement;
- Review findings of the external auditors and in particular, initiate discussions on issues which may have arisen during the audit, including accounting and auditing judgements and levels of errors identified;
- Review the effectiveness of the services provided by the external auditors.

The committee members as at 31st December 2013 were:

- Mr. Peter Chin (Chairman)
- Mr. Ian K. Levy, OD
- Mr. Georgios Sampson
- Mr. Barrington Chisholm
- Mr. Ian Moore

Messrs. Chin and Moore were appointed to the Audit and Compliance Committee on 4th June 2013, to fill the vacancy created by the retirement of Mr. Curtis Martin and Dr. David McBean, in keeping with the Board's adopted term limit of seven (7) years, with respect to Independent Directors.

Finance Committee

The Finance Committee is the sub-committee of the Board of Directors, which is responsible for the financial management of the Group. The Chairman of the Board of Directors is also the Chairman of this Committee and may select up to five Directors to serve on this Committee.

The Finance Committee provides assistance to the Board of Directors of the Group, in fulfilling its responsibility to the shareholders, in respect of the policies and practices that relate to the management of the financial affairs of the Group.

The Finance Committee's primary purpose is to:

- Review management's plans to manage the Group's exposure to financial risk;
- Review the Group's Business Plan, cash plan, balance sheet, and capital structure;
- Recommend dividend actions to the Board of Directors;
- Review the Group's capital allocation strategy, including the cost of capital;
- Review the Group's capital appropriation matters, including recommending approval of those programs requiring Board approval

Corporate Governance

and providing periodic oversight of Board-approved programs;

- Review the Group's pension strategy and its performance, health care costs and funding.

Messrs. Paul Hoo, Brian George, John Graham, Nikolaos Nikolakopoulos, Barrington Chisholm and Steven Hudson were elected to serve and remain members as at 31st December 2013.

Compensation Committee

The Compensation Committee was organized to assist the Board of Directors, in approving and monitoring guidelines and practices, with respect to the compensation and benefits of officers as well as administering the Group's equity-based compensation plan. The Compensation Committee assists the Board in fulfilling its fiduciary responsibilities relating to:

- The fair and competitive compensation for the non-employee Directors;
- The compensation, bonuses and incentives of the Chief Executive Officer, senior executives and other key employees of the Group;
- The administration of the general employee welfare plans of the company.

The Compensation Committee is authorized to obtain outside legal or independent professional advice and secure the attendance of outsiders with relevant experience and expertise, if it considers this necessary.

The Compensation Committee is comprised of four members. The Committee members as at 31st December 2013 were Mr. Nikolaos Nikolakopoulos, Mr. John Graham, Mr. Steven Hudson and Mr. Barrington Chisholm.

Governance and Nomination Committee

The Governance and Nomination Committee's role is to determine the slate of Director nominees for election to the Group's Board of Directors, to review, evaluate and recommend changes to the Group's Corporate Governance Guidelines and to establish the processes for conducting the review of the Chief Executive Officer's performance.

The Governance and Nomination Committee assists the Board in the following:

- Ensuring that there is a formal, rigorous and transparent procedure for the appointment of new Directors to the Board;
- Identifying and recommending qualified candidates to fill vacancies occurring between annual shareholder meetings;
- Assisting the Board of Directors in organizing itself, to discharge its duties and responsibilities properly and effectively;
- Reviewing, evaluating and recommending changes to the Group's Corporate Governance and Nomination Guidelines;
- Performing such other duties and responsibilities enumerated in and consistent with this Charter.

Corporate Governance

The following Directors were elected to serve and remain members as at 31st December 2013:

- Mr. Paul Hoo
- Mr. John Graham
- Mr. Barrington Chisholm
- Mr. Nikolaos Nikolakopoulos
- Mr. Ian Levy, OD

External Auditors

During the financial year under review, Messrs. Deloitte & Touche ceased operations within the island of Jamaica. As a result, the Board of Directors appointed KPMG to fill the causal vacancy created.

Attendance at Board and Committee Meetings

The attendance of the Directors of SVL at the Board and Committee meetings for the period ended 31st December 2013 is reflected in the table below:

Directors	Board	Audit Committee	Finance Committee	Compensation Committee	Governance Committe	Annual General Meeting
Paul Hoo	12	-	2	-	1	1
Brian George	12	-	2	-	-	1

Barrington Chisholm	11	8	2	1	1	1
Steven Hudson	12	-	2	1	-	1
Georgios Sampson	12	8	-	-	-	1
Nikolaos Nikolakopoulos	12	-	2	-	1	1
Nicholas Mouttet	11	-	-	-	-	1
Peter Chin*	5	5	-	-	-	-
Ian Moore*	5	5	-	-	-	-
Curtis Martin**	7	3	-	-	-	1
David McBean**	7	-	-	1	-	1

* Messrs Peter Chin and Ian Moore were appointed to the Board of Directors on 4th June 2013.

** Mr. Curtis Martin and Dr. David McBean retired on 3rd June 2013, in keeping with Board adopted term limit of seven years with respect to Independent Directors.

Board of **Directors**

Paul Hoo
Chairman

Mr. Hoo is a founding shareholder of the company and brings a wealth of experience in business development and operations. He was nominated for the Jamaica Observer Business Leader of the Year Award in 2001. Paul is also Chairman of SVL's Finance and the Governance & Nomination Committees of the Board.

Ian Levy, OD
Deputy Chairman

Mr. Levy is also a founding shareholder of the company and an accomplished businessman. He is Chairman and Managing Director of Ian K. (Agencies) Limited. Ian's business skills have greatly influenced the success of Supreme Ventures Limited. Ian is a member of SVL's Audit & Compliance and the Governance & Nomination Committees of the Board.

He was awarded the National Order of Merit (Chevalier de l'Ordre National du Merite) from the Government of France in 2005. In 2012, Ian received the honour of Order of Distinction from the Jamaican Government.

Brian George
President & CEO

Mr. George joined the company in 2003 and brings a wealth of experience in lottery and gaming operations. Under Brian's stewardship, the company has adopted an innovative and aggressive approach to marketing its products and services. He is a member of SVL's Finance Committee of the Board.

Brian was appointed Chairman of the Board of Directors of the Ports Security Corps and as a Director of the Development Bank of Jamaica Limited in March 2012. He is also a Board member of the CHASE Fund in Jamaica.

Nikolaos Nikolakopoulos
Director

Mr. Nikolakopoulos is the Managing Director for the Latin America region of INTRALOT, a leading provider of state-of-the-art integrated gaming solutions to lottery and gaming organizations worldwide. He has previously held a number of senior positions in multinational Information Technology companies, including Microsoft, INTRACOM Group, among others.

Nikos was appointed Chairman of SVL's Compensation Committee of the Board effective 4th June 2013. He is also a member of the Board's Finance and Governance & Nomination Committees.

John Graham
Director

Mr. Graham is an Attorney-at-Law and brings his knowledge and experience in civil litigation, advocacy, commercial law and conveyancing to the Board.

John is a member of SVL's Finance, Compensation and Governance & Nomination Committees of the Board. He has also served as a Director on a number of Boards in the private and public sector.

Peter Chin
Director

Mr. Chin has over 30 years experience in the fields of investment and financial management, commercial lending and project finance and has provided such services to major local and international institutions. He is the President of Alliance Investment Management Limited.

Peter was appointed Chairman of SVL's Audit & Compliance Committee of the Board effective 4th June 2013.

Board of **Directors**

Barrington Chisholm
Director

Mr. Chisholm is a retired Banker with a distinguished and successful career at the Scotiabank Group. Barry is a member of SVL's Audit & Compliance, Finance, Compensation and Governance & Nomination Committees of SVL's Board.

He is also Chairman of the National Insurance Fund of Jamaica and a Director of the Board of the Development Bank of Jamaica. Barry is also a Justice of the Peace.

Steven Hudson
Director

Mr. Hudson brings to the Board over 18 years of knowledge and experience in business and the hospitality industry. His work experience includes the hotel and restaurant industry. He is currently the Managing Director of Bearings and Seals Limited, one of Jamaica's major distributors of automotive and industrial parts. Steven is a member of SVL's Finance and Compensation Committees of the Board.

Georgios Sampson
Director

Mr. Sampson has extensive international business experience and brings a wealth of knowledge in contract negotiation to the gaming industry. He has been an executive with Intralot S.A. since 2003. He is currently the Director of Finance and Business Development for Intralot Latin America Inc. Georgios is a member of SVL's Audit & Compliance Committee of the Board.

Nicholas Mouttet
Director

Mr. Mouttet brings a wealth of experience in international marketing and business negotiations, to the strategic planning process for SVL's Board. He is also Chairman of Agri-Link Limited in Trinidad and a Director of INTRALOT Caribbean Ventures.

*** Lorna Gooden**
Corporate Secretary

Ian Moore
Director

Ian Moore has over 25 years of consulting experience, specializing in Telecommunications and Information Technology strategy and Project Leadership. He is the Chairman of Adjoined Business Solutions. He is a member of SVL's Audit & Compliance Committee of the Board.

Ian previously Chaired the Petroleum Corporation of Jamaica and was also a Director of the Port Authority of Jamaica and the Central Information Technology Office (CITO).

Management Discussion And Analysis

Brian George
President & CEO

This Management Discussion and Analysis reviews the consolidated financial results of the Group for the year ended 31st December 2013. This report is provided as a supplement to and should be read in conjunction with, the Group's financial statements and accompanying notes, which have been audited by KPMG Chartered Accountants. The statements are presented in Jamaican dollars.

COMPANY OVERVIEW

The Supreme Ventures Group is in the business of providing our customers the best gaming experience Jamaica has to offer. In addition to its major role as Jamaica's leading lottery provider, the Group is among the industry leaders in the provision of entertainment in the form of sports betting and video lottery terminals. The company also distributes electronic PIN codes from its lottery terminals.

ECONOMIC OVERVIEW

The Jamaican economy continued to face major challenges in 2013.

Key economic statistics which affected the performance of the business include:

- Point-to-point inflation trended upward for the calendar year ending at 9.7%, 1.70% higher than the 8.00% for the corresponding period in 2012.
- Gross Domestic Product (GDP) for the first nine months fell compared to the corresponding period in 2012. However, July to September 2013 (Q3) recorded the first real GDP growth since December 2011 (Q4).
- The depreciation of the Jamaican dollar continued in 2013, ending the year at $106.38, a 14.42% devaluation from the $92.97 at the end of 2012.
- Unemployment rose to 14.90% (2012: 14.00%) as the effects of temporary employment programmes faded and businesses faced uncertainty about the future. Female unemployment rose by 1.70% to 20.00%, while males remained relatively steady,

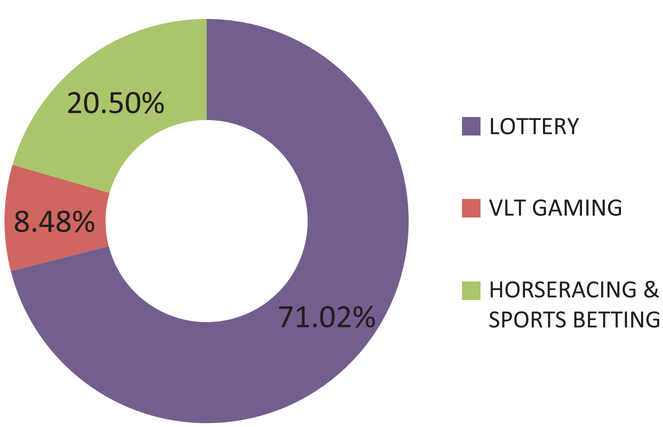
Management Discussion
And Analysis

increasing by only 0.10% to 10.60%.

- Remittances increased by 1.10%. This would represent an even greater injection of the Jamaican currency into the economy as a result of the devaluation of the dollar during the year.
- The country's debt burden increased by $170Bn or 10.00%.
- Net International Reserves have plummeted as the Jamaican dollar depreciated. This made it more difficult for companies to acquire US dollars for capital expansion and dividend payments.
- The number of visitors staying over in Jamaica in 2013 increased by 0.73% over 2012.

GAMING MARKET

The $35Bn gaming market is dominated by lottery products. Based on the Betting, Gaming and Lotteries Commission (BGLC) Annual Report for the fiscal year 2012/2013, lottery products represent 71.02%, VLT gaming 8.48% and horse-racing and sports betting 20.50%.



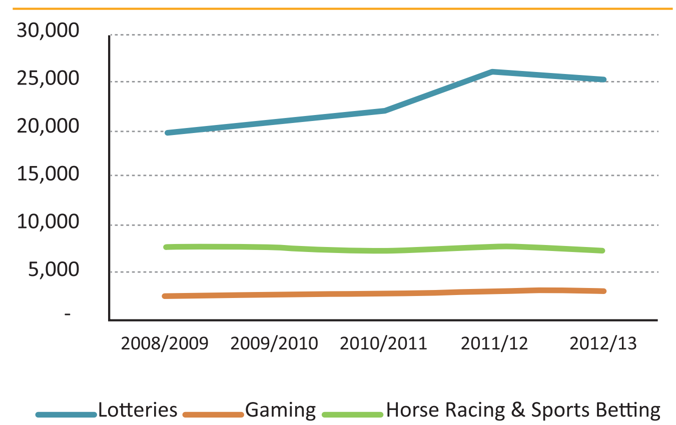
The Group currently operates in a:

- Non-competitive lottery market
- Competitive VLT market
- Competitive sports betting market

VLT data released by the BGLC suggests that the market of approximately $3.019Bn has remained effectively unchanged in Jamaican dollars. However, when adjusted for the depreciated dollar, the market actually contracted by 6.3%. The Kingston Metropolitan Area accounts for 72% of this market, while Montego Bay's market share is 17%. The BGLC defines a gaming lounge as a location with twenty (20) or more VLT seats and noted that there were approximately twenty eight (28) VLT gaming lounges in operation.

Population data from the Statistical Institute of Jamaica (STATIN) shows a marginal increase in the population which means that the gaming market of approximately 1.82M is essentially unchanged.

Figure 1: Revenues by Market



Note that the figures are sourced from the BGLC 2012/2013 Annual Report, and as such the GoJ's fiscal years are used (April to March)

Management Discussion **And Analysis**

Year in Review

The Group continued to focus on its core products, while striving to provide our customers with the best gaming experience. This led to the amalgamation of three companies in the Group's betting, gaming and lottery operation, into one company, Prime Sports (Jamaica) Limited to improve operating efficiencies and ensure that our synergies were concentrated on our major lines of business.

The challenges faced in 2013 which materially impacted the financial results included:

1. Coping with an increased tax burden imposed by the Government, that came into effect in March 2013

2. Managing our exposure to changes in Cash Pot prize liabilities

3. Managing our foreign currency risk exposure, given the rapid devaluation of the Jamaican dollar

4. Maintaining our VLT market share in challenging economic conditions

5. Growing our Sports Betting business, which continued to be hindered by the delay in the implementation of Government's Sports Betting Regulations

The lottery line of business performed well, in a market where disposable income was greatly limited by the implementation of additional tax measures by the Government in March 2013. These measures included increases in gaming taxes, BGLC fees, and a change in the structure for Good Causes Fees (CHASE) from lottery sales. In addition, the fifty percent (50%) share of unclaimed prizes that was previously retained by the company was required to be paid over to the BGLC. Previously, the Company's share of unclaimed prizes was utilized for prize promotions, sponsorships and donation programmes.

Additional tax measures introduced were: An increase in education taxes and stamp duty, tax on dividends, as well as new and increased taxes relating to workers in the VLT gaming lounges and lottery agents.

Our lottery technology provider, GTECH, completed it's planned phase 1 roll-out of a new high-tech lottery terminal for the Company's distribution network, in October 2013. The terminals are more efficient in throughput, reduce paper wastage and ergonomically friendly. The new machines will be installed in three phases. One hundred and twenty-five (125) terminals were installed in 2013.

Management Discussion
And Analysis

In December 2013, the company began broadcasting its lottery draws from a new high definition, state-of-the-art studio operated by the RJR Communications Group. This new agreement facilitated the lottery nightly draws to be presented an hour later at 8:25pm, thereby extending betting time by an hour. The number of Dollaz! Game draws was also increased from one to four times daily.

The restaurant operations at Acropolis Barbican was closed in December 2012, with our exit from hospitality services. The restaurant operations have been leased to Ribbiz Ultra Lounge which was opened in December 2013. Ribbiz provides patrons with restaurant and bar services, as well as entertainment in the form of live music and events.

The lounge in Montego Bay that was closed in late 2012 was renovated and re-opened in March 2013, after rebranding as "Acropolis Montego Bay." However, due to the decline in the Montego Bay economy, the Group decided to exit that market on 3rd January 2014.

Acropolis Portmore was temporarily closed in January 2013. The upgraded and rebranded lounge, "The Castle," was re-opened on 23rd December 2013.

Other improvements at the VLT gaming lounges include:

1. Ticket in, ticket out gaming, which reduces the use of coins/tokens or cash at the machines

2. A VLT monitoring system, for complete and accurate generation of reports

Management Discussion
And Analysis

With our JustBet brand gaining market popularity, the Group, in an effort to expand its customer base in sports betting, opened 16 new flagship sports betting locations islandwide. This expansion brought to 28, the number of company-owned and operated locations across the island.

JustBet continues to pioneer the sports betting experience in Jamaica. The brand maintains its market leadership with its wide range of international betting products.

Operating Results

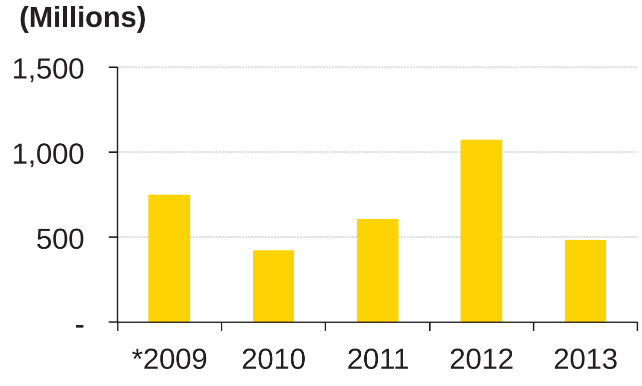
In 2013, the Group's revenues totaled $34.140Bn, an increase of $4.414Bn or 14.85% when compared to 2012. However, gross profits contracted by $726.568M or 17.90%, due to increased direct expenses outpacing the gains from revenue growth over 2012. The decrease in gross profits can be directly attributed to:

1. The decline in VLT gaming revenue.
2. High Cash Pot liabilities of 74.54% for 2013, compared to 70.94% for 2012 and game design of 72.22%.
3. Increased statutory lottery taxes introduced in March 2013, as well as the loss of unclaimed prizes.
4. A decline in margins from the sale of phone credit (Pin Codes), due to lower discount rates received from the telecommunications providers.
5. Increased expenses arising from the depreciation of the Jamaican dollar.

The net effect of additional operating expenses and other gains led to a decrease in EBITDA of $745.147M or 44.09%. The resulting net profit after tax was $482.569M, 55.03% lower than 2012's result of $1.073Bn.

Earnings per share were 18 cents as compared to 41 cents in the corresponding year.

Figure 2: Net Profit for the Year



**Annualized*

Management Discussion
And Analysis

Statement of Financial Position

Total assets decreased by $333.002M or 5.89%, due mainly to a decrease in cash and trade and other receivables. Cash was impacted by the high Cash Pot liabilities, while trade and other receivables were partially impacted by the sales outstanding from our agents. In 2012, there were five (5) days of sales outstanding as compared to three (3) days in 2013. In addition, a Super Lotto Jackpot was won in Jamaica on the 29th of December 2012 and as such, all the relevant jackpot contributions and taxes due from members of the Super Lotto consortium were included in the receivables.

Shareholders' Equity also decreased mainly because of the change in retained earnings, which was due to the distribution of dividends combined with lower profits than the previous year. The Group's long-term liabilities which are loans borrowed for funding capital projects, decreased by $140.855M or 39.21%. No new funds were obtained in 2013.

Trade and other payables were affected by the payment schedule of expenses associated with PIN Codes. 2013 had higher expenses payable for PIN Codes and an increase in inventory bought, due to higher demand for PIN sales from the lottery terminals.

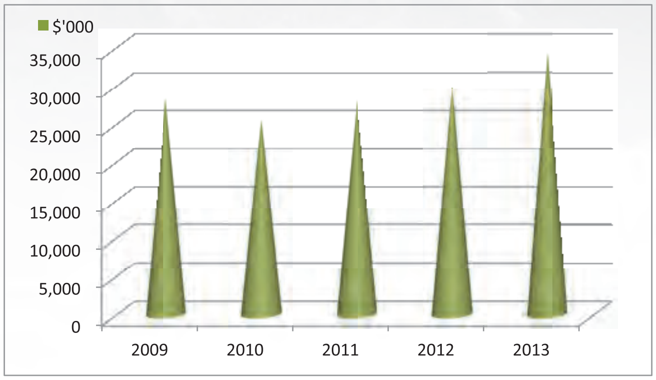
Statement of Profit or Loss and Other Comprehensive Income

Revenue growth of 14.85% in 2013 was achieved primarily through the lottery segment. Lottery revenues benefitted from additional selling days (Sundays and Public Holidays), as well as the betting churn derived from increased prize payouts in Cash Pot, increasing by 13.35%. Sports betting and PIN codes increased by 15.59% and 46.92% respectively, while VLT gaming revenues decreased by 16.80%. The change in Regulations resulted in a reduction of 86.89% from unclaimed prizes.

FIGURE 3: 5 Year Revenue Graph

REVENUE GRAPH

YEAR	2009	2010	2011	2012	2013
$'000	28,168	25,419	27,962	29,726	34,140



Direct expenses increased by 20.03% as high liabilities, increased taxes, lower margins and the depreciation of the Jamaican dollar directly affected these expenses. Operating expenses increased by $114.694M or 4.32%, which was lower than the inflation rate for the calendar year. This had a net effect on our efforts to contain operating costs without materially affecting the business operations. A key indicator of the improved oversight on operating expenses was the 50% reduction in the ratio of bad debts to revenues. This had a numerical value of $46.914M.

Other gains were $99.211M comprising refunds from GTECH, for promotions related to the Cash Pot game and recovery of doubtful debts related to PIN Codes. The reduction in both interest

Management Discussion And Analysis

income and finance costs is a reflection of the impact of the NDX on our local financial market.

The effective tax rate for the year was 32.14% (2012: 25.92%) and was driven by increased corporate income tax for 2013.

Dividends

Based on 2013's profits, the Company declared dividends of $448.334M or 17 cents, the final of which was paid on the 26th of March 2014. This represented 92.91% of the Company's net profit for the year. Dividends of $738.432M or 28 cents was paid to shareholders on 2012's net profit, representing 68.81% of profits.

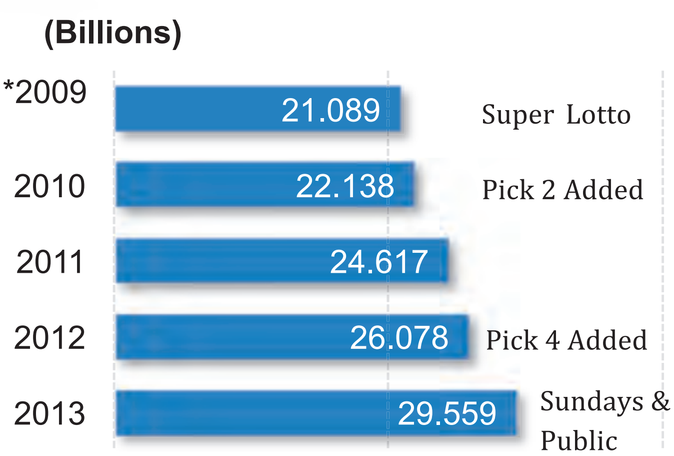
Lottery Products

Lottery revenues totaled $29.559Bn when compared to $26.078Bn in 2012, a 13.35% increase. Of the nine lottery games in operation, six had increased revenues while three recorded lower revenues (the Pick games). In April 2013, the company began operating lottery games on Sundays and Public Holidays with the exception of Good Friday and Christmas Day. There were 1,103 actively selling terminals as at the 31st of December of 2013 compared to 1,089 in 2012.

Figure 7: Lottery Revenues



**Annualized*

Cash Pot

Cash Pot dominated the lottery game portfolio with revenues of $23.015Bn, a 21.36% increase over the prior year. Cash Pot revenues represented 77.86% of the lottery revenues and 67.41% of total revenues. However, high liabilities for 2013 negatively impacted the company's operating profit, in spite of these increased revenues. Cash Pot liability was above the game design (72.22%) for three of the four quarters, ending the year with an average liability of 74.54% in 2013, as compared to 70.94% in 2012.

Figure 8: Cash Pot Quarterly Liability for 2014

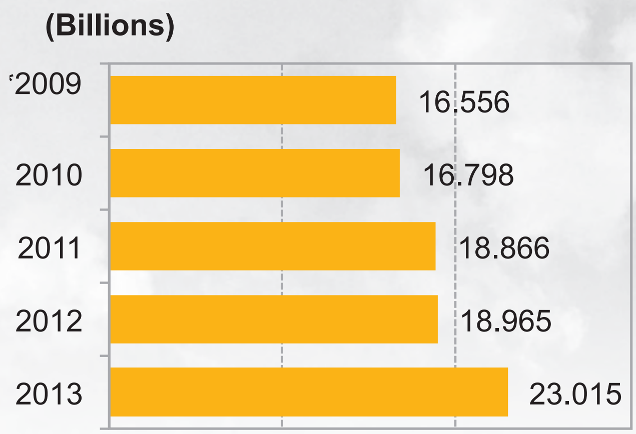
Cash Pot	Q1	Q2	Q3	Q4
Liability	70.88%	75.89%	74.54%	76.00%

Two four (4) week long promotions were carried out in 2013:

1. Cash Pot Coloured Ball Promotion
(8th April – 4th May)

2. Cash Pot "Big Bang" Promotion
(10th November – 7th December)

Figure 9: Cash Pot Revenues *2009-2013



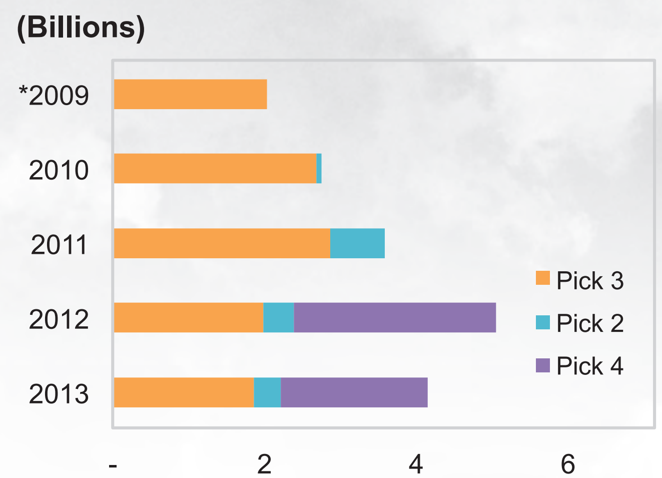
Annualized

Pick Family

The Pick family of games consists of Pick 2, Pick 3, and Pick 4. Pick 4 was introduced in mid-January of 2012. Collectively, the games generated revenues of $4.144Bn, which was $906.696M less than the previous year. All three games had decreased revenues. Pick 4's revenue decline accounted for 80.92% of the $906.696M. The game registered such a steep relative decline because the game was new to consumers in 2012, and as such, generated much more excitement than in the 2013 financial year. All three games operated within their game liability and designs.

Management Discussion And Analysis

Figure 10: Pick Family Revenues *2009-2013



*Annualized

The first promotion for Pick 4 since the inception of the game was launched on 18th August (Multiple Chance Promotion) and lasted for four (4) weeks. There was a similar promotion for Pick 3, also for four (4) weeks commencing on 6th October.

Lotto

Lotto revenues increased for the first time since the introduction of the Super Lotto game in 2009, showing year over year growth of 10%. There were 10 Jackpot winners for the year, with Jackpots ranging from $15M to $130M.

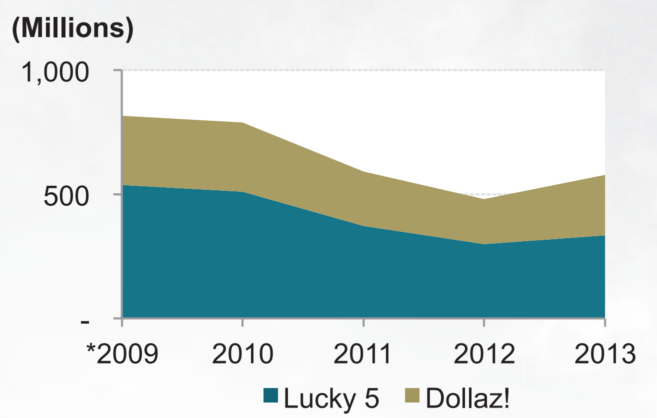
Lucky5 & Dollaz!

Both games had combined revenues of $577.478M, with Lucky5 increasing by 11.86% and Dollaz! by 34.00%. The increase in Dollaz! revenues can be partially attributed to the increase in the number of draws from one (1) to four (4) daily, as of 1st December 2013.

Management Discussion And Analysis

Figure 13: Lucky5 & Dollaz Revenues *2009 – 2013



**Annualized*

Super Lotto

Super Lotto is a multi-jurisdictional game which is played across several Caribbean countries: Anguilla, Antigua & Barbuda, Barbados, Bermuda, Dominican Republic, Jamaica, St. Kitts & Nevis, St. Maarten and the United States Virgin Islands.

The game recorded growth of $126.835M or 24.40%, second in growth percentage only to Dollaz!. All four jackpots won last year were in Barbados.

Super Lotto benefitted from the 'Doubler' prize payout promotion that began on 15th June 2013 and ended on 12th July 2013. The value of all subsidiary prizes was doubled during the promotion period.

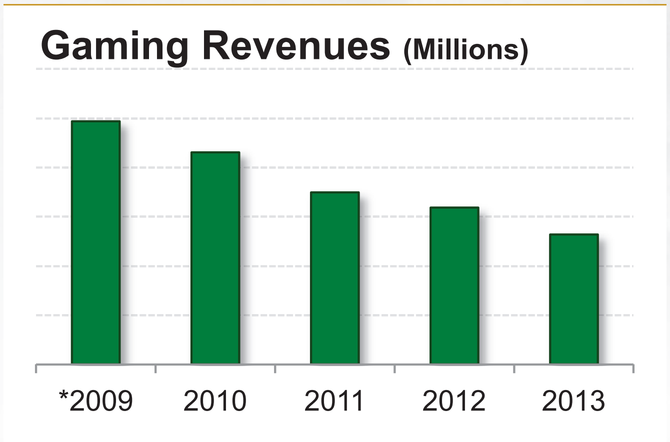
ODYSSEY · GAMING ·

Management Discussion And Analysis

Figure 16: Gaming Revenues *2009-2013



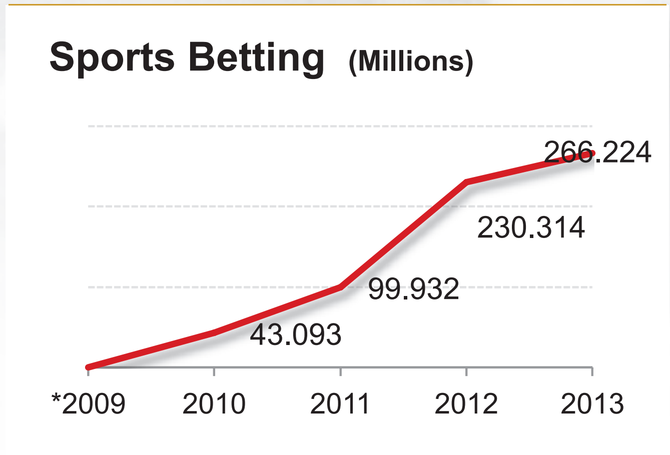
**Annualized*

Sports Betting

Sports betting is marketed and sold under the JustBet brand. Revenue for the financial year was $266.224M or $35.91M (15.59%) above the prior year, with the number of selling terminals increasing by forty one (41).

The growth of the business continues to be hindered by the delay in the implementation of the Sports Betting regulations. This delay will continue to affect the Group's ability to expand its agent network, and by extension, the business. Nevertheless, the Group, as part of our strategy to expand in that market, was able to successfully increase the number of sales outlets to 157 islandwide.

Figure 17: Sports Betting Revenues *2009-2013



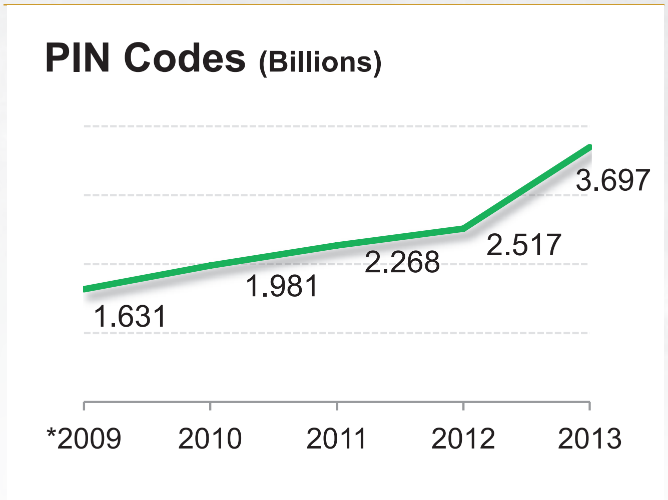
**Annualized*

PIN Codes

Total revenues from electronic PIN Codes for the year 2013 were $3.697Bn, a 46.92% increase when compared to the $2.517Bn recorded in 2012. The margins from this line of business were negatively impacted by the reduced rates received from the telecommunications providers, effective March 2013.

Management Discussion
And Analysis

Figure 18: PIN Codes Sales *2009-2013



**Annualized*

Other Revenues

Due to the recent change in the law regarding unclaimed prizes and the closure of the hospitality line of business, other revenues fell to $88.625M, down from $264.628M in the previous year.

Direct Expenses

Direct expenses totalled $30.808Bn, growing by $5.141Bn or 20.03%. Factors that affected the direct expenses include:

1. High Liabilities especially for the Cash Pot game, resulted in a higher than projected pay-out ratio compared to the prior year (2013: 74.54%, 2012: 70.94%)
2. Increase in lottery gaming tax effective 1st April 2013
3. Change in the contribution to BGLC and Good Causes Fees (CHASE)
4. Increase in cost of sales for PIN codes
5. The depreciation of the Jamaican dollar

Figure 19: Direct Expenses Summary

DIRECT EXPENSES	2013	2012	Change

Management Discussion
And Analysis

Segment Results

Lottery is the most mature segment of the Group's business and it has yielded significant revenue, as the Cash Pot game has become part of the cultural fabric of Jamaica. The lottery segment had net assets of over $877M, with a net results of $1.184Bn in 2013, compared to a net profit of $1.546Bn in 2012.

VLT gaming is the most capital intensive part of the Group's business and 2013 was particularly difficult. The segment spent $114.649M in capital expenditure, while incurring $194.904M in depreciation and amortization. The VLT gaming segment had over $2.1Bn in assets, with only $161M in liabilities at the end of 2013. With the challenges in the VLT gaming market, the segment recorded a net loss of $553M in 2013 compared to a net loss of $251M in 2012.

The Group's JustBet sports betting brand was launched in 2010 and grew to $266.224M in revenues, in 2013. The segment already has a strong net asset position of $147.334M. However, like the VLT gaming segment, it is a capital intensive operation and required $49.47M worth of capital investment in 2013, to gain market share, as against J$1.72M in 2012. The segment also recorded higher prize payouts, so sports betting made a loss of $129.62M in 2013, compared to $93.609M in 2012.

RISK MANAGEMENT

Our Approach

The SVL Group considers risk as anything that could significantly affect the achievement of our business objectives. Therefore, the Group is exposed to many different types of risks through the various activities performed in fulfillment of its objectives. We classify our business objectives into four main areas:

1. Strategic Objectives – high-level organizational goals, aligned with the Group's vision and mission
2. Operating Objectives – internal standards of efficiency and effectiveness
3. Financial Reporting Objectives – internal and external reporting requirements
4. Compliance Objectives – adherence to statutory and regulatory requirements

Our risk management framework is geared towards effective management of the risks related to the above objectives. The Group takes an enterprise-wide approach to the identification, assessment, treatment and communication of risks. The framework is developed based on the nature and extent of the Group's activities and takes authoritative reference and/or guidance from the following sources:

- Companies Act, 2004
- Jamaica Stock Exchange rules and regulations
- Other local statutory and regulatory requirements

- COSO Framework
- ISO 31000:2009

Our Risk Management Structure

One of the main objectives of our risk management framework is to enhance our confidence and risk intelligence in seeking to maximize stakeholder returns while safeguarding existing assets. The framework is administered through its different components, which are:

- Board of Directors including its Audit Committee
- Senior Management & Business Units
- Strategic Planning & Risk Management Unit

The Board of Directors has overall responsibility for the establishment and oversight of the Group's risk management framework. One of the Board's critical responsibilities is to set the Group's risk appetite, which includes managing the risks affecting the Group's strategic objectives. The Board's risk management mandate is carried out primarily through its Audit Committee.

The Audit Committee has oversight for the management of risks relating to the Group's financial reporting and internal control objectives. This includes monitoring the systems for ensuring the integrity of the financial statements, reviewing the effectiveness of the systems of internal control, overseeing the risk management program as well as setting and monitoring risk limits and controls. Risk limits and controls are integral to the risk management process, as they characterize the Board's risk tolerance as well as that of the regulators.

Senior management and business units support the entity's risk management approach, promote compliance with its risk appetite, and manage risks within their spheres of responsibility based on risk limits set by the Board's Audit Committee. The business units are responsible for the day-to-day identification and response to risk exposures within their limits and the prompt communication of issues to senior management.

Our management approach, business policies and processes allow us to place the ownership and accountability for risks with our business units, since they are intimate with the changing nature of risks and are best able to act on our behalf in managing and mitigating those risks. Ongoing risk management support and oversight is provided by the Strategic Planning & Risk Management unit.

One of the critical responsibilities of the Strategic Planning & Risk Management unit is to establish and monitor effective systems for promoting risk intelligence and proper risk communication across the Group. The unit includes the critical function of Compliance. Compliance manages the Group's system for adherence to statutory and regulatory requirements.

The Strategic Planning & Risk Management unit also works closely with the Group's Internal Audit function. The scope and direction of all internal audit work is set and reviewed by the Board's Audit Committee. A key responsibility of our Internal Audit function is to provide objective assurance to the Board (through the Audit Committee) on the effectiveness of the Group's risk management activities, to verify that key business risks are being managed appropriately and that the system of internal control is operating effectively. Therefore, the internal audit role plays a key role in evaluating the Group's risk management processes and advocating their

Management Discussion And Analysis

continued improvement. However, to preserve its organizational independence and objectivity, the internal audit function does not take any direct responsibility for making risk management decisions or executing the risk management processes.

The Role of Policies & Procedures

Policies define and express the Group's overall risk appetite and are developed based on the risk culture of our business units, and subject to the relevant regulatory requirements. Policies set the boundaries on the types of risks the Group is prepared to assume and specify the manner in which the Group assumes these risks. Appropriate policies and procedures are established throughout the organization and are approved by the Audit Committee.

Our Business Risks

The main business risks faced by the Supreme Ventures Group are described and analyzed in Note 37 of the audited financial statements.

OUTLOOK

The positive vote of confidence from the IMF, the World Bank and the Inter-American Development Bank has given many businesses some sign of hope for improvement in Jamaica's economy. The Group is still focusing on managing its operations efficiently, while giving customers the best possible user experience. Acropolis Montego Bay was closed in January 2014 to reduce operating losses.

In March, 2014, the operations of our Regional Retail Centre formerly located at 28 Half Way Tree Road in Kingston was amalgamated with the VLT operation at State Mall, a few metres down the road. This will result in savings in lease, security and maintenance expenses.

Management is also cognizant of keeping expenses under control in this economic environment. As such, steps will be taken to further optimize operations by consolidating corporate offices. This will result in the reduction of rent and associated utilities.

The management team will pursue various strategies to expand the lottery business, the first of which is the potential introduction of a new game. We will also restructure and vary some of the features in existing games, to make them more exciting for our customers.

As part of the Group's more focused plan, VLT gaming lounges in the Kingston Metropolitan Area will be the main target for growth, through the upgrading of the gaming floors with new game themes. The anti-Money Laundering Legislation regulations will play a crucial role in the execution of our compliance activities.

The Group still awaits the amended sports betting regulations from the Government, which will facilitate the more cost-efficient expansion of our agent network. There are also plans to introduce a wider variety of sporting events and betting options, for our customers to bet on. It is expected that the FIFA World Cup in Brazil will boost our customers' excitement for the betting game.

We will also be looking at the introduction of social space gaming, such as pre-recorded horseracing and virtual horseracing, for diversification of our product portfolio.

The Board and management team of the Supreme Ventures Group remain optimistic that the business will be successful in achieving our strategic objectives for 2014. This will positively impact returns for our shareholders.

Fax: (876) 754-9577
Email: svlsecretariat@svlotteries.com

Junett Robinson
Assistant Corporate Secretary

Junett joined the company in 2005, as Executive Assistant to the President & CEO. She was later promoted to Group Manager - Administration, with responsibility for office administrative management throughout the Supreme Ventures Group. During that tenure, she was also charged with assisting in Corporate Secretarial duties for the Supreme Ventures Foundation.

She holds a degree in Business Administration from the Northern Caribbean University, among other professional qualifications and is currently pursuing her professional accreditation as a Chartered Secretary, via the Institute of Chartered Secretaries and Administrator (ICSA).

She has a zeal for community activities and is a member of the Sunset Optimist Club of Kingston.

Lorna Gooden
Corporate Secretary

Lorna joined the Company in 2001. She possesses over 8 years of experience in the audit and accounting field, gained through her past employment with Deloitte & Touche, one of the leading international auditing firms. She was an integral part of the Finance team since joining the company, holding senior roles, with her last post being Assistant Vice President-Group Finance, a position she held since 2006.

She is a Chartered Accountant and a Fellow of both the Institute of Chartered Accountants of Jamaica (ICAJ) and the Association of Chartered Certified Accountants (ACCA) – UK. She holds an Honours Diploma in Business Administration, Accounting major from the University of Technology (formerly C.A.S.T.).

Lorna has a passion for youth related community service and as such, is an avid member of the Sunset Optimist Club of Kingston, of which she is a Past President. She previously held the post of Lt. Governor for Zone 3 of the Caribbean District Optimist International and is also the Finance Chair for the Peter Stewart Memorial Scholarship Fund.

Directors' Report

Lorna Gooden
Corporate Secretary

The Directors present their Annual Report with the Group Statement of Profit or Loss and Other Comprehensive Income of Supreme Ventures Limited and its subsidiaries for the year ended 31st December 2013, together with the Consolidated Statement of Financial Position.

Report
31st December 2013

Operating Results

	$'000
Gross Profit	**3,331,398**
Profit before taxation from continuing operations	**711,092**
Taxation	(228,523)
Profit for the year	482,569
Earnings per stock	18.30 Cents

Dividends

The Directors recommend that the interim dividends of: eight cents per ordinary stock unit, paid on 17th June 2013; three cents per ordinary stock unit, paid on 2nd September 2013; three cents per ordinary stock unit, paid on 8th January 2014; three cents per ordinary stock unit, paid on 26th March 2014, totalling seventeen cents be and are hereby declared as final and that no further dividend be paid for the year under review.

Directors

The members of the Board of Directors as at 31st December 2013 were as follows:

Mr. Paul Hoo - Chairman
Mr. Ian Levy, OD - Deputy Chairman
Mr. Brian George - President/CEO
Mr. John Graham
Mr. Nikolaos Nikolakopoulos

Directors' Report

Directors (continued)

Mr. Barrington Chisholm
Mr. Steven Hudson
Mr. Georgios Sampson
Mr. Nicholas Mouttet
Mr. Peter Chin *
Mr. Ian Moore *

Pursuant to Articles 105 and 106 of the Articles of Incorporation, one-third of the Directors (or the number nearest to one-third) will retire at the Annual General Meeting.

* On 20th March 2013, the Board of Directors agreed to adopt a seven-year term limit with respect to Independent Directors. Messrs. Chin and Moore were appointed to the Board on 4th June 2013, to fill the vacancy created on the retirement of Mr. Curtis Martin and Dr. David McBean, in keeping with Board adopted term limit of seven years with respect to Independent Directors

Company Secretary

Miss Lorna Gooden**

** Miss Lorna Gooden was appointed Corporate Secretary on 5th June 2013, following the resignation of the previous Company Secretary, Winsome Minott.

External Auditors

During the Financial Year under review, Deloitte & Touche ceased operations within the island of Jamaica. As a result, the Board of Directors appointed KPMG to fill the causal vacancy created.

The Auditors, KPMG, have indicated their willingness to serve, and offer themselves for appointment.

ON BEHALF OF THE BOARD

Lorna Gooden
CORPORATE SECRETARY

INDEPENDENT AUDITORS' REPORT

To the Members of
SUPREME VENTURES LIMITED

Report on the Financial Statements

We have audited the financial statements of Supreme Ventures Limited (the Company) and the consolidated financial statements of the Company and its subsidiaries (the Group), set out on pages 49 to 115, which comprise the Group's and the Company's statements of financial position as at December 31, 2013, the Group's and the Company's statements of profit or loss and other comprehensive income, changes in equity and cash flows for the year then ended, and notes, comprising a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with International Financial Reporting Standards, and for such internal controls as management determines are necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether or not the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence relating to the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including our assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal controls relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

INDEPENDENT AUDITORS' REPORT

To the Members of
SUPREME VENTURES LIMITED

Report on the Financial Statements (continued)

Opinion

In our opinion, the financial statements give a true and fair view of the financial position of the Group and the Company as at December 31, 2013, and of the Group's and the Company's financial performance, changes in equity and cash flows for the year then ended, in accordance with International Financial Reporting Standards and the Jamaican Companies Act.

Report on additional matters as required by the Jamaican Companies Act

We have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of our audit. In our opinion, proper accounting records have been maintained, so far as appears from our examination of those records, and the financial statements, which are in agreement therewith, give the information required by the Jamaican Companies Act, in the manner required.

Comparative information

The financial statements of Supreme Ventures Limited as of and for the year ended December 31, 2012 were audited by another firm of Chartered Accountants whose report, dated February 27, 2013, expressed an unqualified opinion on those financial statements.

Cash and cash equivalents at the beginning of the year	130,451	164,454
Effect of exchange rate changes on the balance of cash held in foreign currencies	(3,055)	289
CASH AND CASH EQUIVALENTS AT THE END OF THE YEAR	250,685	130,451

Restated (see note 39)

The accompanying notes form an integral part of the financial statements.

1. Identification

Supreme Ventures Limited (the Company) is a public limited liability company which is listed on the Jamaica Stock Exchange. The Company's registered office is located at the 4th Floor, R. Danny Williams Building, 28-48 Barbados Avenue, Kingston 5, Jamaica, W.I.

The main activities of the Company are the management of its subsidiary companies (subsidiaries) and the sale of mobile phone pin codes.

The Company and its subsidiaries are collectively referred to as "the Group" and are all incorporated in Jamaica.

The subsidiaries that are consolidated and their principal activities are as follows:

Name of company	Principal activity	Percentage ownership %
Supreme Ventures Lotteries Limited and its wholly owned subsidiary:	Lottery operations – inactive*	100
Bingo Investments Limited	Lottery operations – inactive	100
Prime Sports (Jamaica) Limited and its wholly-owned subsidiary:	Betting, gaming and lottery operations*	100
Chillout Ventures Limited	Gaming operations (not yet in operation)	100
Supreme Ventures Financial Services Limited	Not trading*	100
Big 'A' Track 2003 Limited	Sports betting*	100

*Effective February 28 and March 31, 2013 respectively, the Company carried out an exercise to amalgamate its subsidiaries as follows:

(i) Transfer of the assets and operations of Supreme Ventures Lotteries Limited and Big 'A' Track 2003 Limited to Prime Sports (Jamaica) Limited.

(ii) Transfer of the assets and operations of Supreme Ventures Financial Services Limited to Big 'A' Track 2003 Limited.

As a consequence of the foregoing, Prime Sports (Jamaica) Limited, which is now licensed by the Betting, Gaming and Lotteries Commission (BGLC) to carry out betting, gaming and lottery operations, is the Company's principal operating subsidiary.

In addition to the entities above, the Group also includes Jamaica Lottery Company Limited, which has been placed into members' voluntary liquidation.

2. Statement of compliance and basis of preparation

(a) Statement of compliance:

The financial statements are prepared in accordance with International Financial Reporting Standards ("IFRS") as issued by the International Accounting Standards Board, and comply with the relevant provisions of the Jamaican Companies Act ("the Act").

New, revised and amended standards and interpretations that became effective during the year

Certain new, revised and amended standards and interpretations came into effect during the current financial year. The Group has adopted the following new standards and amendments to standards, including any consequential amendments to other standards, applicable to its operations, with a date of initial application of January 1, 2013. The nature and effects of the changes are as follows:

(i) IFRS 10 *Consolidated Financial Statements (2011)*

As a result of IFRS 10 (2011), the Group has changed its accounting policy for determining whether it has control over and consequently whether it consolidates its investees. IFRS 10 introduces a new control model that focuses on whether the Group has power over an investee, exposure or rights to variable returns from its involvement with the investee and ability to use its power to affect those returns. The Group has therefore reassessed the control conclusion in respect of its investees as at January 1, 2013. This has however, not resulted in any changes to the control conclusions previously determined.

(ii) IFRS 11 *Joint Arrangements*

As a result of IFRS 11, the Group has changed its accounting policy for its interest in joint arrangements. Under IFRS 11, the Group has classified its interest in joint arrangements as either joint operations (if the Group has rights to the assets, and obligations for the liabilities, relating to an arrangement) or joint ventures (if the Group has rights only to the net assets of an arrangement). When making this assessment, the Group considers the structure of the arrangements, the legal form of any separate vehicles, the contractual terms of the arrangements and other facts and circumstances. Previously, the structure of the arrangement was the sole focus of classification. The Group has re-evaluated its involvement in its joint arrangements and has determined that no reclassification is required. There has been no impact on the recognised assets, liabilities and comprehensive income of the Group.

(iii) IFRS 12 *Disclosure of Interests in Other Entities*

As a result of IFRS 12, the Group expanded its disclosures about its interest in subsidiaries.

2. Statement of compliance and basis of preparation (cont'd)

(a) Statement of compliance (cont'd):

New, revised and amended standards and interpretations that became effective during the year (cont'd)

Certain new, revised and amended standards and interpretations came into effect during the current financial year. The Group has adopted the following new standards and amendments to standards, including any consequential amendments to other standards, applicable to its operations, with a date of initial application of January 1, 2013. The nature and effects of the changes are as follows (cont'd):

(iv) IFRS 13 *Fair Value Measurement*

IFRS 13 establishes a single framework for measuring fair value and making disclosures about fair value measurements when such measurements are required or permitted by other IFRSs. It unifies the definition of fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. It replaces and expands the disclosure requirements about fair value measurements in other IFRSs, including IFRS 7. Consequently, the Group has included additional disclosures in this regard [see note 37(e)].

In accordance with the transitional provisions of IFRS 13, the Group applied the new fair value measurement guidance prospectively and has not provided any comparative information for new disclosures. Notwithstanding the above, the change had no significant impact on the measurements of the Group's assets and liabilities.

(v) *Presentation of Items of Other Comprehensive Income* (Amendments to IAS 1)

As a result of the amendments to IAS 1, items of other comprehensive income (OCI) that may be reclassified to profit or loss in the future are presented separately from those that would never be reclassified to profit or loss. Also, the title of the statement has changed from *Statement of Comprehensive Income* to *Statement of Profit or Loss and Other Comprehensive Income*.

2. Statement of compliance and basis of preparation (cont'd)

(a) Statement of compliance (cont'd):

New standards, and interpretations of and amendments to existing standards that are not yet effective:

At the date of authorisation of the financial statements, certain new, revised and amended standards and interpretations, have been issued which are not yet effective and which the Group has not early-adopted. The Group has assessed the relevance of all such new standards, amendments and interpretations with respect to its operations and has determined that the following may be relevant to its operations and has concluded as follows:

- *IFRS 9, Financial Instruments (2010)*, the previous version of IFRS 9 issued in 2009 and is effective for accounting periods beginning on or after January 1, 2017 (previously January 1, 2015). The standard retains but simplifies the mixed measurement model and establishes two primary measurement categories for financial assets: amortised cost and fair value. The revised standard includes guidance on classification and measurement of financial liabilities designated as fair value through profit or loss and incorporates certain existing requirements of IAS 39 *Financial Instruments: Recognition and Measurement* on the recognition and de-recognition of financial assets and financial liabilities. The Group is assessing the impact that the standard will have on its 2017 financial statements.

- Amendments to IAS 36 *Impairment of Assets*: *Recoverable Amount Disclosures for Non-financial Assets*, which is effective for accounting periods beginning on or after January 1, 2014, reverse the unintended requirement in IFRS 13 *Fair Value Measurement*, to disclose the recoverable amount of every cash-generating unit to which significant goodwill or indefinite-lived intangible assets have been allocated. The amendment requires the recoverable amount to be disclosed only when an impairment loss has been recognised or reversed. The Group is assessing the impact that this standard may have on its 2014 financial statements.

- Amendments to IAS 39, *Financial Instruments: Novation of Derivatives and Continuation of Hedge Accounting*, which is effective for accounting periods beginning on or after January 1, 2014, adds a limited exception to IAS 39, to provide relief from discontinuing an existing hedging relationship when a novation that was not contemplated in the original hedging documentation meets specific criteria. The Group is assessing the impact that this standard may have on it 2014 financial statements.

2. Statement of compliance and basis of preparation (cont'd)

(a) Statement of compliance (cont'd):

New standards, and interpretations of and amendments to existing standards that are not yet effective (cont'd):

At the date of authorisation of the financial statements, certain new, revised and amended standards and interpretations, have been issued which are not yet effective and which the Group has not early-adopted. The Group has assessed the relevance of all such new standards, amendments and interpretations with respect to its operations and has determined that the following may be relevant to its operations and has concluded as follows (cont'd):

- Amendments to IFRS 10 *Consolidated Financial Statements*, IFRS 12 *Disclosure of interest in Other Entities* and IAS 27 *Consolidated* and *Separate Financial Statements* is effective for accounting periods beginning on or after January 1, 2014. The amendment defines an investment entity and requires a parent that is an investment entity to measure its investments in particular subsidiaries at fair value through profit or loss instead of consolidating those subsidiaries in its consolidated and separate financial statements. In addition, the amendments introduce new disclosure requirement related to investment entities in IFRS 12 *Disclosure of Interests in Other Entities and IAS 27 Separate financial Statements*. The Group is assessing the impact that this standard may have on it 2014 financial statements.

- IFRIC 21 *Levies* is effective for accounting periods beginning on or after January 1, 2014. It provides guidance on accounting for levies in accordance with the requirements of IAS 37 *Provisions, Contingent Liabilities and Contingent Assets*, The interpretation defines a levy as an outflow from a entity imposed by a government in accordance with legislation. It requires an entity to recognise a liability for a levy when and only the triggering event specified in the legislation occurs. The Group is assessing the impact that this standard may have on it 2014 financial statements.

(b) Basis of measurement:

The financial statements are prepared on the historical cost basis, except for the inclusion of available-for-sale investment at fair value.

(c) Functional and presentation currency:

The financial statements are presented in Jamaica dollars ($), which is the functional currency of the Company and each of its subsidiaries.

(d) Use of estimates and judgements:

The preparation of the financial statements to conform to IFRS requires management to make estimates and assumptions that affect the reported amount of, and disclosures relating to, assets, liabilities and contingent assets and contingent liabilities at the reporting date and the income and expenses for the year then ended. Actual amounts could differ from those estimates.

2. Statement of compliance and basis of preparation (cont'd)

(d) Use of estimates and judgements (cont'd):

The preparation of the financial statements to conform to IFRS requires management to make estimates and assumptions that affect the reported amount of, and disclosures relating to, assets, liabilities and contingent assets and contingent liabilities at the reporting date and the income and expenses for the year then ended. Actual amounts could differ from those estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised, and future years, if the revision affects both current and future period.

Judgements made by management in the application of IFRS that have a significant effect on the financial statements and estimates with a significant risk of material adjustment in the next financial year are presented below:

(i) Allowance for impairment losses on receivables

In determining amounts recorded for impairment of accounts receivable in the financial statements, management makes judgements regarding indicators of impairment, that is, whether there are indicators that suggest there may be a measurable decrease in the estimated future cash flows from accounts receivable, for example, repayment default and adverse economic conditions. Management also makes estimates of the likely estimated future cash flows from impaired accounts receivable, as well as the timing of such cash flows. Historical loss experience is applied where indicators of impairment are not observable on individual significant accounts receivable and total trade accounts receivable with similar characteristics, such as credit risks.

(ii) Residual value and expected useful life of property and equipment

The residual value and the expected useful life of an asset are reviewed at least at each financial year-end, and, if expectations differ from previous estimates, the change is accounted for. The useful life of an asset is defined in terms of the asset's expected value-in-use to the company.

(iii) Impairment of goodwill and other intangible assets

Impairment of goodwill and other intangible assets is dependent upon management's internal assessment of future cash flows from these cash-generating units that gave rise to the goodwill. That internal assessment determines the amount recoverable from future use of those units. In addition, the estimate of the amount recoverable from future use of those units is sensitive to the discount rates used.

3. Significant accounting policies

(a) Basis of consolidation:

(i) Business combinations

Business combinations are accounted for using the acquisition method as at the acquisition date, which is at the date on which control is transferred to the Group. Control is the power to govern the financial and operating policies of an entity so as to obtain benefits from its activities.

The Group measures goodwill at the acquisition date as:

- the fair value of the consideration transferred; plus
- the recognised amount of any non-controlling interests in the acquired entity; plus
- if the business combination is achieved in stages, the fair value of the pre-existing interest in the acquired entity; less
- the net recognised amount (generally fair value) of the identifiable assets acquired and liabilities assumed.

When the excess is negative, a bargain purchase gain is recognised immediately in profit or loss.

The consideration transferred does not include amounts related to the settlement of pre-existing relationships. Such amounts generally are recognised in profit or loss.

Transaction costs, other than those associated with the issue of debt or equity securities, that the Group incurs in connection with a business combination are expensed as incurred.

Any contingent consideration payable is measured at fair value at the acquisition date.

(ii) Subsidiaries

Subsidiaries are all entities controlled by the Group. The Company controls an entity when it is exposed to, or has rights to, variable returns from its involvement with the entity and has ability to affect those returns through its power over the entity. The financial statements of subsidiaries are included in the consolidated financial statements from the date on which control commences until the date on which control ceases.

3. Significant accounting policies (cont'd)

(a) Basis of consolidation (cont'd):

(iii) Loss of control

On the loss of control, the Group derecognises the assets and liabilities of the subsidiary, any non-controlling interests and the other components of equity related to the subsidiary. Any surplus or deficit arising on the loss of control is recognised in profit or loss. If the Group retains any interest in the previous subsidiary, then such interest is measured at fair value at the date that control is lost.

(iv) Joint venture arrangement

A joint venture is a contractual arrangement whereby two or more parties undertake an economic activity that is subject to joint control over the financial and operating policies. The consolidated financial statements include the Group's share of the total recognised gains and losses of joint ventures on the equity accounting basis. If the Group's share of losses exceeds its interest in a joint venture the Group's carrying amount is reduced to nil and recognition of further losses is discontinued, except to the extent that the Group has incurred legal or constructive obligations or made payments on behalf of a joint venture. If the joint venture subsequently reports gains, the Group resumes recognising its share of those gains only after its share of gains equals the share of losses not recognised.

(v) Transactions eliminated on consolidation

Balances and transactions between companies within the Group, and any unrealised gains arising from those transactions, are eliminated in preparing the consolidated financial statements. Unrealised gains arising from transactions between the Group and its associate and joint ventures are eliminated to the extent of the Group's interest in the associate or joint venture. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred.

(b) Segment reporting:

An operating segment is a component of the Group that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that relate to transactions with any of the Group's other components. An operating segment's results are reviewed regularly to make decisions about resources to be allocated to the segment and assess its performance, and for which discrete financial information is available.

Segment results are reported to the Group's executive management (collectively considered the chief operating decision maker) which includes items directly attributable to a segment as well as those that can be allocated on a reasonable basis.

All transactions between business segments are conducted on an arm's length basis, with intersegment revenue and cost eliminated on consolidation. Income and expenses directly associated with each segment are included in determining business segment performance.

3. Significant accounting policies (cont'd)

(c) Property and equipment:

(i) Owned assets

Items of property, plant and equipment are stated at cost (see also note 39) accumulated depreciation and impairment losses [see note 3(f)]. Cost includes expenditures that are directly attributable to the acquisition of the assets.

The cost of self-constructed assets includes the cost of materials and direct labour, plus related borrowing costs and any other costs directly attributable to bringing the asset to a working condition for its intended use.

The cost of replacing part of an item of property, plant and equipment is recognised in the carrying amount of the item if it is probable that the future economic benefits embodied with the part will flow to the Group and its costs can be measured reliably. The costs of day-to-day servicing of property, plant and equipment are recognised in profit or loss as incurred.

(ii) Depreciation

Property, plant and equipment, with the exception of freehold land on which no depreciation is provided, are depreciated on the straight-line basis at annual rates estimated to write down the assets to their residual values over their expected useful lives. The depreciation rates are as follows:

Freehold buildings	40 years
Leasehold improvements	10 years
Machine and equipment	10 years
Video lottery terminal equipment	5-10 years
Furniture, fixtures and office equipment	3-10 years
Computer equipment	3-5 years
Motor vehicles	5-8 years
Signs and posters	5-10 years

No depreciation is provided on freehold land, art and paintings.

The depreciation methods, useful lives and residual values are reassessed at each reporting date.

3. Significant accounting policies (cont'd)

(d) Intangible assets:

(i) Goodwill

Goodwill represents amounts arising on acquisition of subsidiaries and other business ventures. It comprises the excess of the cost of the acquisition over the fair value of the net identifiable assets acquired.

Goodwill is stated at cost, less any accumulated impairment losses. Goodwill is allocated to cash-generating units and is tested annually for impairment. Negative goodwill arising on acquisition is recognised directly in profit or loss.

(ii) Licences

Licences and permits are carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation methods, useful life and residual value are reviewed at each reporting date and adjusted if appropriate, with the effect of any changes in the estimate being accounted for on a prospective basis. Amortisation is charged on the straight-line basis over its estimated useful life. The useful life is estimated to be 5 years.

(iii) Other intangible assets

Other intangible assets are stated at cost less accumulated amortisation and accumulated impairment losses. Amortisation is charged on the straight-line basis over its estimated useful life. Amortisation methods, useful life and residual value are reviewed at each reporting date and adjusted if appropriate, with the effect of any changes in the estimate being accounted for on a prospective basis.

The amortisation rates are as follows:

Computer software	3 years
Software user rights	10 years

(iv) De-recognition of intangible assets

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from the de-recognition of an intangible asset, measured as the difference between the net proceeds and the carrying amount of the asset are recognised in profit or loss when the asset is derecognised.

3. Significant accounting policies (cont'd)

(e) Taxation:

Income tax on the profit or loss for the year comprises current and deferred tax. Income tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income, in which case it is recognised in other comprehensive income.

Current income tax is the expected tax payable on the income for the year, using tax rates enacted at the financial year end, and any adjustment to tax payable in respect of previous years.

Deferred income tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. Deferred tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse, based on laws that have been enacted at the reporting date.

A deferred tax asset is recognised only to the extent that it is probable that future taxable profits will be available against which the asset can be realised. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised.

(f) Impairment:

The carrying amounts of the Group's assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, the asset's recoverable amount is estimated. For goodwill, the recoverable amount is estimated at each reporting date. An impairment loss is recognised whenever the carrying amount of an asset or its cash-generating unit exceeds its recoverable amount.

Impairment losses in respect of cash generating units are allocated first to reduce the carrying amount of any goodwill allocated to cash-generating units and then to reduce the carrying amount of other assets in the unit on a pro rata basis. Impairment losses are recognised in Group profit or loss.

Financial assets are impaired when objective evidence demonstrates that a loss event has occurred after the initial recognition of the asset and that the loss event has an impact on the future cash flows on the asset that can be estimated. Objective evidence that financial assets are impaired can include default or delinquency by a customer or counterparty or indicators that the customer or counterparty will enter bankruptcy.

A significant or prolonged decline in the fair value of an investment in an equity instrument below its cost is also objective evidence of impairment. When a decline in the fair value of an available-for-sale investment has been recognised directly in other comprehensive income and there is objective evidence that the asset is impaired, the cumulative loss that had been recognised directly in other comprehensive income is recognised in Group profit or loss even though the investment has not been derecognised.

The amount of the cumulative loss that is recognised in Group profit or loss is the difference between the acquisition cost and current fair value, less any impairment loss previously recognised in Group profit or loss.

3. Significant accounting policies (cont'd)

(f) Impairment (cont'd):

(i) Calculation of recoverable amount

The recoverable amount of the Group's investments in held-to-maturity securities and loans and receivables is calculated as the present value of expected future cash flows, discounted at the original effective interest rate inherent in the asset. Receivables with a short duration are not discounted.

The recoverable amount of other assets is the greater of their fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. For an asset that does not generate largely independent cash inflows, the recoverable amount is determined for the cash-generating unit to which the asset belongs.

(ii) Reversals of impairment

An impairment loss in respect of a held-to-maturity security, loan or receivable is reversed, if the subsequent increase in recoverable amount can be related objectively to an event occurring after the impairment loss was recognised.

An impairment loss in respect of an investment in an equity instrument classified as available-for-sale is not reversed through Group profit or loss.

An impairment loss in respect of goodwill is not reversed.

In respect of other assets, an impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount.

An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

(g) Inventories:

Inventories are stated at the lower of cost and net realisable value. Costs of inventories are determined on a first-in-first out (FIFO) basis. Costs, including an appropriate proportion of fixed and variable overhead expenses, are assigned to inventories by the method most appropriate to the particular class of inventory, with the majority being valued on a first-in, first-out basis. Net realisable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale.

3. Significant accounting policies (cont'd)

(h) Financial instruments:

A financial instrument is any contract that gives rise to a financial asset of one enterprise and a financial liability or equity instrument of another enterprise. For the purpose of the financial statements, financial assets have been determined to include cash and bank balances, trade and other receivables, due from related parties and long-term receivables. Financial liabilities include trade and other payables, prizes liabilities and long-term liabilities.

(i) Classification of financial assets

The Group classifies its financial assets into one of the categories discussed below, depending on the purpose for which the asset was acquired. Management determines the classification of its financial instruments at initial recognition and re-evaluates this designation at every reporting date. The financial assets of the Group are classified as loans and receivables.

Instruments with fixed or determinable payments and which are not quoted in an active market are classified as loans and receivables and are carried at amortised cost, less impairment losses. Other investments held by the Group are classified as available-for-sale and are stated at fair value. Available-for-sale investments include certain debt and equity securities.

(ii) Measurement

Financial instruments are measured initially at cost, including transaction costs. Subsequent to initial recognition, all available-for-sale investments are measured at fair value, except that any instrument that does not have a quoted market price in an active market and whose fair value cannot be reliably determined, is stated at cost, including transaction costs, less impairment losses.

All non-trading financial liabilities and loans and receivables are measured at amortised cost, less impairment losses. Amortised cost is calculated on the effective interest rate method. Premiums and discounts, including initial transaction costs, are included in the carrying amount of the related instrument and amortised based on the effective interest rate of the instrument.

Investment in subsidiaries, for the Company, is stated at cost, less impairment losses.

(iii) Impairment of financial assets

A financial asset is considered to be impaired if objective evidence indicates that one or more events have had a negative effect on the estimated future cash flows of that asset.

3. Significant accounting policies (cont'd)

(h) Financial instruments (cont'd):

(iii) Impairment of financial assets (cont'd)

An impairment loss in respect of a financial asset measured at amortised cost is calculated as the difference between its carrying amount and the present value of the estimated future cash flows discounted at the original interest rate. Receivables with a short duration are not discounted.

Individually significant financial assets are tested for impairment on an individual basis. The remaining financial assets are assessed collectively in Groups that share similar credit risk characteristics.

All impairment losses are recognised in profit or loss.

An impairment loss is reversed if the reversal can be related objectively to an event occurring after the impairment loss was recognised. For financial assets measured at amortised cost, the reversal is recognised in profit or loss.

(iv) De-recognition

The Group de-recognises a financial asset when the contractual rights to the cash flows from the assets expire; or it transfers the financial asset in a transaction in which substantially all the risks and rewards to the ownership of the financial asset are transferred, or in which the company neither transfers nor retains substantially all the risk and rewards of ownership and it does not retain control of the financial asset. Any interest in transferred financial assets that is created or retained by the company is recognised as a separate asset or liability.

The Group de-recognises a financial liability when its contractual obligations are discharged, cancelled or have expired.

(i) Cash and cash equivalents:

For the purposes of the cash flow statement, cash and cash equivalents comprise cash at bank and in hand, net of bank overdraft and other highly liquid bank deposits held with financial institutions, with an original maturity of three months or less from the date of acquisition and are held to meet liquidity requirements.

(j) Revenue:

(i) Lottery

Ticket sales - lottery games are sold to the public by contracted retail agents. Revenue is recognised when tickets are sold to players.

3. Significant accounting policies (cont'd)

(j) Revenue (cont'd):

(i) Lottery (cont'd)

Unclaimed prizes – in keeping with clause number 28 of the lottery licence held by Prime Sports (Jamaica) Limited, winning tickets must be redeemed within 90 days of the relevant draw unless otherwise notified. Any valid winning ticket presented after expiration of this period may be paid provided payment is made within 180 days of the draw, after which prizes may be paid only with written approval of BGLC. Fifty percent (50%) of unclaimed prizes (net of taxes where applicable) is paid over to the CHASE Fund within 21 days and the remainder retained by the subsidiary. Effective March 1, 2013, the remainder, being fifty percent (50%) of unclaimed prizes, is paid to the BGLC.

(ii) Gaming

Revenue is recorded based on the cash value of tokens and tickets cleared from the drop box, roulette credits sold to customers, the cash bills cleared from the bill receptor, the payouts made to customers and the net movement in the machines' token stock levels.

(iii) Sports betting

Revenue represents the gross sales of the bets taken on international sporting events at all branches, net of refunds. Revenue is recognised when wagers are placed by players evidenced by ticket sales.

(iv) Pin codes

Pin codes are sold to the public by the contracted retail agents. Revenue is recognised when pin codes are sold by the agents.

(v) Hospitality and related services

Hospitality and related services include food and beverage sales and are recognised when the goods/services are provided.

(vi) Management fees

The Company provides management services to its subsidiaries. Fees are recognised when the services are provided.

(vii) Interest income

Interest income is accrued by reference to the principal outstanding and at the effective interest rate applicable, which is the expected rate that exactly discounts estimated future cash receipts through the life of the financial asset to that asset's net carrying amount.

3. Significant accounting policies (cont'd)

(j) Revenue (cont'd):

(viii) Dividend income

Dividend income is recognised when the right to receive payment is established.

(k) Employee benefit costs:

(i) The Company is the sponsoring employer of a group defined contribution pension scheme under the control of trustees and administered by a licensed organisation. Contributions are recognised as an expense by the employer as incurred.

(ii) Employee leave entitlements are recognized when they accrue to employees. A provision is made for the estimated liability for vacation leave as a result of services rendered by employees up to the reporting date.

(l) Finance costs:

Finance costs are recognised using the effective interest method.

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use.

All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

(m) Related parties:

A related party is a person or entity that is related to the entity that is preparing its financial statements (referred to in IAS 24, *Related Party Disclosures* as the "reporting entity").

(i) A person or a close member of that person's family is related to a reporting entity if that person:

(a) has control or joint control over the reporting entity;

(b) has significant influence over the reporting entity; or

(c) is a member of the key management personnel of the reporting entity or of a parent of the reporting entity.

(ii) An entity is related to a reporting entity if any of the following conditions applies:

(a) The entity and the reporting entity are members of the same Group (which means that each parent, subsidiary and fellow subsidiary is related to the others).

(b) One entity is an associate or joint venture of the other entity (or an associate or joint venture of a member of a Group of which the other entity is a member).

(c) Both entities are joint ventures of the same third party.

(d) One entity is a joint venture of a third entity and the other entity is an associate of the third entity.

(e) One entity is a joint venture of a third entity and the other entity is an associate of the third entity.

3. Significant accounting policies (cont'd)

(m) Related parties (cont'd):

(ii) An entity is related to a reporting entity if any of the following conditions applies (cont'd):

(f) The entity is a post-employment benefit plan established for the benefit of employees of either the reporting entity or an entity related to the reporting entity.
(g) The entity is controlled, or jointly controlled, by a person identified in (i).
(h) A person identified in (i) (a) has significant influence over the entity or is a member of the key management personnel of the entity (or of a parent of the entity).

A related party transaction is a transfer of resources, services or obligations between a reporting entity and a related party, regardless of whether a price is charged.

The company has a related party relationship with its directors, companies with common directors, jointly controlled entity. "Key management personnel" represents directors of the company and certain members of the Company's executive management.

(n) Foreign currencies:

In preparing the financial statements of the Company, transactions in currencies other than the Company's functional currency, the Jamaica dollar, are recognised at the rates of exchange prevailing on the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are re-translated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at that date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not re-translated.

Exchange differences on monetary items are recognised in profit or loss in the period in which they arise.

(o) Leases:

Leases are classified as finance lease whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

(p) Determination of profit or loss:

Profit is determined as the difference between the revenues from the goods and services rendered and the cost and the charges incurred during the year. Profits on transactions are taken in the year in which they are realised. A transaction is realised at the moment of delivery of goods and services. Losses are recognised in the year in which they are realised or determinable.

3. Significant accounting policies (cont'd)

(q) Share capital:

(i) Classification:

Ordinary stock units are classified as equity when there is no obligation to transfer cash or other assets.

(ii) Share issue costs:

Incremental costs directly attributable to the issue of new stock units or to the acquisition of a business are shown in equity as a deduction, net of tax, from the proceeds.

(iii) Dividends:

Dividends are recorded in the financial statements in the period in which they are declared.

5. Goodwill

	The Group		The Company	
	2013	2012	2013	2012
	$'000	$'000	$'000	$'000
Acquired goodwill	571,681	571,681	189,953	189,953

The goodwill impairment test is carried out by comparing the recoverable amount of the Group's cash generating units (CGUs) to which goodwill has been allocated, to the carrying amount of those CGUs plus goodwill. For the purposes of the impairment assessment, goodwill has been allocated to the Group's cash generating units as follows:

	The Group		The Company	
	2013	2012	2013	2012
	$'000	$'000	$'000	$'000
Gaming operations	381,728	381,728	-	-
Lottery operations	189,953	189,953	189,953	189,953
	571,681	571,681	189,953	189,953

Management has determined that goodwill at December 31, 2013 is not impaired based on assessments of the recoverable amounts of the CGUs. The assessments were carried out as described below.

Gaming operations:

The recoverable amount of this CGU is determined based on its value in use calculations. The recoverable amount of $469.454 million was determined to be higher than its carrying amount and no impairment loss was recognised.

The key assumptions used in the estimation of value in use were as follows:

	The Group	
	2013	2012
Discount rate	18.1%	10.5%
Terminal value growth rate	3%	3.5%
Budgeted EBITDA growth rate	5%	3.5%

Seven years of cash flows were included in the discounted cash flow model. Budgeted EBITDA was based on expectations of future outcomes based on strategic change made during the year, adjusted for the anticipated revenue growth. Revenue growth was projected taking into account net win growth for the next seven years

5. Goodwill (cont'd)

Lottery operations:

The recoverable amount of this CGU is determined based on its value in use calculations. The recoverable amount of $2.882 billion was determined to be higher than its carrying amount and no impairment loss was recognised. Revenue growth was projected for the next seven years.

The key assumptions used in the estimation of value in use were as follows:

	The Group	
	2013	2012
Discount rate	18.1%	10.5%
Terminal value growth rate	3%	3.5%
Budgeted EBITDA growth rate	5%	3.5%

December 31, 2011	20,371	38,582	72,502	131,455	1,920

(a) Licences

Licences represent those received originally by Chillout Ventures Limited and Big 'A' Track 2003 Limited for gaming and sports betting respectively and are now vested in Prime Sports (Jamaica) Limited consequent on the amalgamation described in note 1. Licences are amortised over five years from the original grant date.

6. Other intangible assets (cont'd)

(b) Software usage rights

This comprises the one-time software user rights fee paid to Intralot Jamaica Limited related to sports betting. The amount is amortised over the life of the contract, which is 10 years.

(c) The amortisation of computer software licences and software usage rights is included in operating expenses (see note 25).

7. Investment in subsidiaries

	The Company	
	2013	2012

	448,756	333,665	1,126,703	843,083

8. Long-term receivables (cont'd)

(a) SGL BVI Limited:

The balance represents unsecured advances to SGL BVI Limited (SGL BVI), a company incorporated in the British Virgin Islands. SGL BVI is a subsidiary of Supreme Gaming Limited, a company incorporated under the laws of the State of Florida, USA. The advances were made pursuant to the development of gaming activities in the Caribbean and the Latin American region, including Jamaica.

As of September 1, 2013, the balance was converted from a US dollar denominated amount and is now denominated in Jamaican dollars. Management is of the opinion that the balance outstanding at December 31, 2013 is realisable under an Electronic Gaming Machine Framework Agreement dated March 31, 2011 between Intralot Caribbean Ventures Limited (Intralot) and the Company and a Project Service Agreement dated March 11, 2011 between SGL BVI and Intralot. Interest accrues on the outstanding balance at the rate of 4% per annum. Interest accrued as at December 31, 2013 amounts to $4,592,507 (2012: $2,687,447).

(b) Radio Jamaica Limited:

This represents the balance on a credit facility provided by Prime Sports (Jamaica) Limited to Radio Jamaica Limited to establish, equip and commission a television broadcasting studio to air live television broadcasts of lottery drawings. The facility is repayable by forty-eight (48) consecutive monthly principal and interest payments of $1,761,377 which commenced December 31, 2013. The facility bears interest at 6% per annum on a reducing balance basis.

(c) Under a scheme of reorganisation and amalgamation in April 2008, the company acquired two debentures issued by Jamaica Lottery Company Limited (JLC) to Prime Sports (Jamaica) Limited (PSJL) for JLC's beneficial interest in Coral Cliff Entertainment Limited and Village Square Entertainment Limited now amalgamated to PSJL. The debentures are for a term of twenty-one (21) years, payable by 20 interim annual instalments of J$250,000 each on March 31 of each year (commencing on March 31, 2009), and a final instalment of the remaining unpaid balance of the principal sum on March 31, 2029. Interest is charged on the debentures at a rate of 8% (2012: 8%) per annum, reviewed and paid monthly.

(d) These represent portions of balances due from subsidiary, Prime Sports (Jamaica) Limited, which were restructured into a long-term loan arrangement during the year.

The loan is unsecured and is repayable in monthly instalments of $11,271,209, at interest rate 12% per annum. The loan is repayable by 2016.

(e) These loans, which bore interest at 8% per annum, were fully settled during the year, consequent on the amalgamation (see note 1).

9. Available-for-sale investments

	The Group and The Company	
	2013	2012
	$'000	$'000
Unquoted investment	1,883	1,883
Quoted investment		
At beginning of year	12,876	-
Addition reclassified from prepayment	-	15,000
Impairment adjustment	(9,048)	(2,124)
At end of year	3,828	12,876
	5,711	14,759

10. Investment in joint venture

The Group's significant interest in a joint venture comprises a 50% equity shareholding of Jonepar Development Limited, a jointly controlled entity. The entity owns a parcel of land in Montego Bay which is used as a parking facility for the customers of the Coral Cliff gaming lounge and the other venturer. The net operating results of the joint venture since the acquisition date are not significant and as a result the investment is carried at cost.

11. Deferred taxation

	The Group		The Company	
	2013	2012	2013	2012
	$'000	$'000	$'000	$'000
Deferred tax assets	251,956	409,345	-	-

Other	841	479	1,320
	111,340	260,129	371,469

11. Deferred taxation (cont'd)

(b) Company:

	2013 $'000	2012 $'000
Property and equipment	(11,188)	(12,732)
Trade and other receivables	(2,584)	(1,510)
Other	463	788
Net liabilities	(13,309)	(13,454)

Movement in net temporary differences during the year:

	2013		
	Balance at January 1, 2013 $'000	Recognised in profit/loss $'000 [note 30(a)]	Balance at December 31, 2013 $'000
Property and equipment	(12,732)	1,544	(11,188)
Trade and other receivables	(1,510)	(1,074)	(2,584)
Other	788	(325)	463
	(13,454)	145	(13,309)

	2012		
	Balance at January 1, 2012 $'000	Recognised in profit/loss $'000 [note 30(a)]	Balance at December 31, 2012 $'000
Property and equipment	(21,008)	8,276	(12,732)
Trade and other receivables	(21)	(1,489)	(1,510)
Other	841	(53)	788
	(20,188)	6,734	(13,454)

12. Other assets

	The Group	
	2013 $'000	2012 $'000
At the beginning of the year	5,908	-
Acquired during the year	27,709	6,564
Less: Amortisation	(6,393)	(656)
At end of year	27,224	5,908

This represents clearance costs for leased gaming machines which is being amortised over the useful life of the gaming machines, estimated at five years.

13. Inventories

	The Group		The Company	
	2013	2012	2013	2012
	$'000	$'000	$'000	$'000
Pin codes	74,676	40,160	74,676	40,160
Food and beverage	1,781	8,258	-	-
	76,457	48,418	74,676	40,160

The cost of inventory recognised as an expense during the year for the Group was $3.369 billion (2012: $2.327 billion) and $3.34 billion (2012: $2.26 billion) for the Company.

14. Due from subsidiaries

	The Company	
	2013	2012
	$'000	$'000
Prime Sports (Jamaica) Limited	188,845	517,137
Big 'A' Track 2003 Limited	-	(38,575)
Supreme Ventures Lotteries Limited	-	(173,439)
	188,845	305,123
Current portion of long-term receivable - Prime Sports (Jamaica) Limited [see note 8(d)]	106,405	135,230
	295,250	440,353

15. Trade and other receivables

	The Group		The Company	
	2013	2012	2013	2012
	$'000	$'000	$'000	$'000
Trade receivables	451,221	471,517	-	-
Less: Allowances for doubtful debts	(210,449)	(152,417)	-	-
	240,772	319,100	-	-
Other receivables and prepayments [see note (f)]	227,900	317,482	120,044	142,956
Less: Allowance for doubtful debts	-	(26,000)	-	(26,000)
	468,672	610,582	120,044	116,956

(a) Included in trade receivables of the Group are amounts of $420 million (2012: $423 million) representing amounts receivable from the agents that support the lottery sales. The average credit period for the receivables is 7 days. Balances outstanding for over 7 days are considered past due. Where agent balances are outstanding for over 90 days they are classified as delinquent and are provided for in full after 365 days as historical experience is such that receivables that are past due beyond this period are generally not recoverable.

The average credit period for the remaining balance in trade receivables is 30 days.

15. Trade and other receivables (cont'd)

(b) Trade receivables above include amounts (see aged analysis below) that are past due as at the end of the reporting period but against which the Group has not recognised an allowance for doubtful receivables because there has not been a significant change in credit quality and the amounts are still considered recoverable. The Group does not hold any collateral or credit enhancement over these balances nor does it have a legal right of off-set against any amounts owed by the Group's counterparties.

Management believes that past due unimpaired receivables are of good quality.

(c) Ageing of past due but not impaired

	The Group	
	2013	2012
	$'000	$'000
Up to 30 days	4,622	6,801
31 - 60 days	2,503	12,553
61 - 90 days	3,371	25,043
Over 120 days	35,151	15,621
	45,647	60,018

(d) Movement in allowance for impairment of trade receivables:

	The Group	
	2013	2012
	$'000	$'000
Balance at beginning of year	152,417	73,471
Impairment losses recognised	58,032	78,946
Balance at end of year	210,449	152,417

(e) Movement in allowance for impairment of other receivables:

	The Group		The Company	
	2013	2013	2013	2013
	$'000	$'000	$'000	$'000
Balance at beginning of year	26,000	-	26,000	-
Impairment losses recognised/(reversed)	(26,000)	26,000	(26,000)	26,000
Balance at end of year	-	26,000	-	26,000

In determining the recoverability of a receivable, the Group considers any change in the credit quality of the receivable from the date the credit was granted up to the reporting date.

(f) Other receivables for the Group include amounts of $17.19 million (2012: $26.23 million relating to the current portion of long-term receivables disclosed in notes 8(a) and 8(b).

16. Cash and cash equivalents

(a) The Group:

Bank balances of the Group include interest-bearing accounts of $873 million (2012: $1,315 million), including US$ foreign currency deposits of US$1.6 million (2012: US$2.1 million).

Cash and cash equivalents of the Group also include an amount of $10 million (2012: $10 million) held in reserve to fund the Lucky 5 game in accordance with the lottery licence held by Prime Sports (Jamaica) Limited.

(b) The Company:

Bank balances of the Company include interest-bearing accounts of $187.2 million (2012: $91.4 million), including foreign currency deposits of US$0.065 million (2012: US$0.048 million).

(c) Hypothecated deposits:

	The Group		The Company	
	2013	2012	2013	2012
	$'000	$'000	$'000	$'000
Hypothecated term deposits #1 [see (i) below]	25,000	25,000	-	-
Hypothecated term deposits #2 [see (ii) below]	5,800	5,800	5,800	5,800
	30,800	30,800	5,800	5,800

(i) The $25 million term deposit is hypothecated as support for a performance bond guarantee to the Betting Gaming and Lotteries Commission (BGLC) for certain financial obligations by a subsidiary under the BGLC Act and regulations. The bond, which is for four years, expires in April 2015.

(ii) The hypothecated term deposits #2 represents part of security for long-term bank arrangements disclosed in note 20.

17. Share capital

Authorised:
3,000,000,000 ordinary stock units at no par value

	2013	2012
	$'000	$'000
Stated capital:		
2,637,254,926 ordinary stock units, issued and fully paid	1,967,183	1,967,183

18. Capital reserve

This includes gains arising on the scheme of reorganisation and amalgamation of subsidiaries within the Group in 2008. The reserve is stated net of costs associated with the reorganisation and amalgamation and capital distributions.

19. Retained earnings

This is reflected in the financial statements of:

	2013 $'000	2012 $'000
The company	1,252,638	1,209,691
The subsidiaries	360,612	553,932
	1,613,250	1,763,623

20. Long-term liabilities

	The Group		The Company	
	2013 $'000	2012 $'000	2013 $'000	2012 $'000
The Bank of Nova Scotia Jamaica Limited (BNS)	218,408	359,263	218,408	359,263

These loans are repayable as follows:

	The Group		The Company	
	2013 $'000	2012 $'000	2013 $'000	2012 $'000
Within one year	141,408	142,708	141,408	142,708
Within two to five years	77,000	216,555	77,000	216,555
	218,408	359,263	218,408	359,263
Included in the statement of financial position as:				
Current liabilities	141,408	142,708	141,408	142,708
Long-term liabilities	77,000	216,555	77,000	216,555

The non-revolving Jamaica dollar loans obtained from the Bank of Nova Scotia Jamaica Limited (BNS) are repayable in quarterly instalments over a period of five years. The interest on these loan ranges from 8.95% to 12.5%.

The BNS facility is secured as follows:

(i) Corporate guarantee by Prime Sports (Jamaica) Limited supported by a first legal mortgage over certain commercial properties;

(ii) Cash flow support guarantee from Prime Sports (Jamaica) Limited in favour of Supreme Ventures Limited;

(iii) Adequate peril insurance for the full replacement values over the properties [(i) above] held as collateral with benefits ceded to the bank;

(iv) Corporate guarantee issued by Prime Sports (Jamaica) Limited stamped for $468.134 million and endorsed by the Betting Gaming and Lotteries Commission (BGLC); and

(v) Hypothecated term deposits stamped to cover $5.8 million [note 16 (c) (ii)].

21. Trade and other payables

	The Group		The Company	
	2013	2012	2013	2012
	$'000	$'000	$'000	$'000
Trade payables	555,589	241,844	466,061	168,940
Service contractor fees	130,694	261,173	22	9,702
Contributions payable to CHASE Fund	67,312	159,238	-	-
Contributions payable to Betting, Gaming and Lotteries Commission	39,375	16,789	-	-
Government taxes payable	19,886	46,052	-	-
Other payables and accruals	315,718	243,433	151,661	97,400
	1,128,574	968,529	617,744	276,042

22. Prize liabilities

	The Group	
	2013	2012
	$'000	$'000
Local lottery games [(a) below]	130,817	132,586
Multi-jurisdictional lottery game [(b) below]	187,996	204,479
Sports betting	1,821	577
	320,634	337,642

(a) This represents the prize liabilities associated with the local lottery games operated under licence by the subsidiary, Prime Sports (Jamaica) Limited including an amount accrued for the advertised jackpot of $55 million (2012: $60 million).

(b) The Super Lotto game is a multi-jurisdictional game with the following countries being a party to the Super Lotto agreement entered into by the Company on July 27, 2009: Anguilla, Antigua and Barbuda, Bermuda, St. Kitts and Nevis, Barbados, St. Maarten, United States Virgin Islands, Dominican Republic and Jamaica. Revenue from ticket sales in Jamaica is recorded as income of the Group. Under the rules of the Super Lotto game, and as agreed by BGLC, effective September 10, 2012, jackpot contributions are calculated at US$0.7365 cents for every full bet wager and US$0.4419 cents for every partial bet wager. Reserve contributions are US$0.02 cents for every full bet wager and US$0.012 cents for every partial bet wager. This is with the intention that over a period of time there will be an accumulation of funds towards the settlement of the jackpot. GTECH Corporation has accepted the obligation to fund the unfunded portion of the jackpot liability of Prime Sports (Jamaica) Limited.

23. Revenue

	The Group		The Company

	30,808,867	25,668,180	3,585,766	2,425,883

24. Direct expenses (cont'd)

(b) Lottery and Sports betting prizes:

(i) Cash Pot	–	All prizes are fixed. The prize won for correctly matching the winning number is $26 for each $1 wagered.
(ii) Lucky 5	–	Prizes for this game are based on the predetermined prize structure.
(iii) Dollaz!	–	Prizes for this game are fixed based on each $10 per play per spot. The prize paid will depend on how many of the winning numbers are correctly matched.
(iv) Lotto, Super Lotto Prime Time and Daily Bingo	–	Prizes are based on the actual winning combination of numbers for each draw with the amount allocated to prizes being a predetermined percentage of actual sales.
(v) Pick 2, Pick 3 and Pick 4	–	Prizes are computed based on the actual winning are computed based on the actual winning combination of numbers for each draw.
(vi) Instant	–	Prizes are accrued as an estimate based on a predetermined prize structure for each game.
(vii) Sports betting	–	All prizes are fixed. The prize won is based on the amount wagered multiplied by the odds of the selected event(s) printed on the ticket.

(c) Service contractor fees:

(i) GTECH Corporation:

GTECH Corporation (GTECH) has been contracted for the provision of technical and marketing services for lottery activities. GTECH, whose primary business is providing online lottery systems, terminals, networks and services to the lottery industry, provide these services to operate the lotteries. GTECH receives a service fee calculated using an agreed fee structure based on weekly gross sales.

(ii) Intralot:

Intralot S.A. (Intralot), through various affiliates and subsidiaries, provides three main services to the Group namely: technical services for sports betting activities, lease of gaming machines and central monitoring systems, the latter two relating to the Video Lottery Terminals (VLT) business. Intralot receives a fee based on a daily rate for the use of the central monitoring systems and agreed percentages of net revenues for its other services.

24. Direct expenses (cont'd)

(c) Service contractor fees (cont'd):

(ii) Intralot (cont'd):

The fees for services during the year under review are as follows:

	2013 $'000	2012 $'000
Sport betting activities	28,600	11,604
Lease of gaming machines	47,145	14,861
Lease of central monitoring system	23,592	25,848
	99,337	52,313

29. Profit before taxation

(a) Profit before taxation from continuing operations is stated after taking account of the following items:

	The Group		The Company	
	2013	2012	2013	2012
	$'000	$'000	$'000	$'000
Income				
Interest	46,408	53,098	112,136	99,700
Expenses				
Directors' emoluments:				
Fees	45,959	29,472	45,959	29,472
Management remuneration	46,471	48,189	46,471	48,189
Audit fees	18,560	17,900	6,710	6,100
Pension contributions	12,786	14,740	453	326
Depreciation of property and equipment	200,928	187,322	23,655	29,878
Amortisation of other intangible assets	27,953	29,573	568	1,112
Amortisation of other assets	6,393	656	-	-
Finance costs	28,486	39,791	27,922	39,148

(b) Taxes, licences and other fees (excluding corporate income tax) paid to statutory and regulatory bodies in arriving at profit before taxation are as follows:

	The Group	
	2013	2012
	$'000	$'000
Lottery and gaming taxes	1,818,424	1,556,356
Good cause fees	1,128,388	1,198,713
Betting, Gaming and Lotteries Commission contributions and levies	511,565	278,249
GCT irrecoverable	234,775	211,071
Licences and other fees	41,739	26,168
Payroll taxes – Employer's portion	55,059	58,030
	3,789,950	3,328,587

30. Taxation

(a) The taxation for the year includes:

	The Group		The Company	
	2013	2012	2013	2012
	$'000	$'000	$'000	$'000
Current tax charge:				
Income tax on taxable profits	95,700	635,743	7,696	-
Discontinued operations	-	1,266	-	-
Deferred taxation (note 11)	132,823	(260,129)	(145)	(6,734)
	228,523	376,880	7,551	(6,734)

30. Taxation (cont'd)

(b) The charge is reconciled to the profit as per the statement of comprehensive income as follows:

	The Group		The Company	
	2013	2012	2013	2012
	$'000	$'000	$'000	$'000
Profit before taxation	711,092	1,449,901	683,440	788,684
Tax at the domestic income tax rate of:				
28.75% (2012: 33⅓%)	175,663	483,300	196,489	262,895
25%	2,426	-	-	-
Expenses disallowed for tax purposes	23,664	32,967	10,152	9,517
Net deferred tax asset de-recognised	20,745	-	-	-
Non-taxable income	(8,519)	(405)	(194,063)	(273,333)
Under provision for previous year	1,693	-	-	-
Private motor vehicles	11,782	6,749	-	-
Prior period deferred tax recognised in the current year	(5,137)	(255,654)	(5,137)	-
Tax losses not recognised	-	5,956	-	5,956
Effect of change in tax rate	-	105,083	-	(8,452)
Other	6,206	(1,116)	110	(3,317)
	228,523	376,880	7,551	(6,734)

(c) Tax losses of subsidiaries amounting to $1.125 billion subject to agreement with the Commissioner General, Tax Administration Jamaica (2012: $1.633 billion) are available for set-off against future taxable profits of the subsidiaries. Unutilised tax losses can be carried forward indefinitely.

31. Discontinued operations

(a) Discontinued operations - Financial services

As part of management's effort to streamline the Group's operations, a strategic decision was taken to sell the MoneyGram operations and to surrender the Cambio licence of its subsidiary, Supreme Ventures Financial Services Limited, effective December 9, 2011. As a result, these operations have been treated as discontinued operation in these financial statements.

31. Discontinued operation (cont'd)

(a) Discontinued operations - Financial services (cont'd)

	2013 $'000	2012 $'000
Operating expenses	-	(1,931)
Loss from operations	-	(1,931)
Other gains and losses [see (a) below]	-	(3,132)
Loss before taxation	-	(5,063)
Taxation [note 30(a)]	-	1,266
Loss for the year from discontinued operations	-	(3,797)

(a) Other gains and losses

	2013 $'000	2012 $'000
Proceeds from sale of MoneyGram operation	-	(3,132)

The sale price of the MoneyGram operation was amended during 2012 due to a condition of the original sale agreement.

(b) Cash flows from discontinued operations

	2013 $'000	2012 $'000
Net cash flows from operating activities	-	(3,797)
Net cash flows from investing activities	-	-
	-	(3,797)

32. Earnings per stock unit

Earnings per stock unit is calculated by dividing the net profit attributable to shareholders, by the weighted average number of ordinary stock units in issue during the year.

	2013 $'000	2012 $'000
Profit from continuing operations	482,569	1,076,886
Profit attributable to shareholders	482,569	1,073,089
Weighted average number of ordinary stock units in issue ('000)	2,637,255	2,637,255

33. Related party balances and transactions

(a) Trading transactions with related parties:

Prime Sports (Jamaica) Limited is provided with technical services by a related entity. This is disclosed at note 24(c)(ii).

During the year, Prime Sports (Jamaica) Limited entered into a broadcast arrangement with Radio Jamaica Limited to establish, equip and commission a television broadcasting studio [see also note 8 (b)]. The arrangement was negotiated at arm's length basis between the managements of the two entities. The entities have a common non-executive director.

(b) Balances with subsidiaries:

Notes 8 and 14 to the financial statements include required disclosure in respect of balances with subsidiaries.

(c) Loans and advances to key management personnel and directors:

The Company has provided its key management personnel and directors with short-term loans and advances in accordance with its policy on granting loans or making advances to the Company's and its principal subsidiary's employees. The balances outstanding at the end of the year amounted to approximately $84.7 million (2012: $70.9 million). Of this amount, $75.3 million (2012: $98.5 million) is due from directors. Interest is charged on loans and advances to key management personnel and directors at an annual rate of 6.5% (2012: 10%).

(d) Compensation of key management personnel:

The remuneration of members of key management during the year was as follows:

	The Group		The Company	
	2013	2012	2013	2012
	$'000	$'000	$'000	$'000
Short-term benefits	189,750	165,966	113,456	120,571
Post-employment benefits	2,223	2,279	367	326
	191,973	168,245	113,823	120,897

(e) Professional fees paid to directors for services rendered during the year aggregated $116.35 million (2012: $73.08 million) for the Group and the Company.

(f) Provisions or write-offs:

No provisions or write-offs have been recognised for amounts advanced to key management or related parties.

34. Segment reporting

Information reported to the Chief Operating Decision Maker for the purposes of resource allocation and assessment of segment performance focuses on the types of services provided.

The Group's reportable segments under IFRS 8 are as follows:

(a)	Lottery	-	Lottery games, offered through the agents' network.
(b)	Gaming and hospitality	-	Video Lottery Terminal (VLT) games offered at gaming lounges and food and beverage operations.
(c)	Sports betting	-	Wagers on international sport events offered through the agent's network.
(d)	Pin codes	-	Sale of pin codes through the agents' network, agents' service fees, agents' reconnection fees.
(e)	Other	-	All other income.

The Group's operations are located solely in Jamaica.

	2013

			632,942	606,569

(b) Dividends from subsidiaries:

This represents amounts received or receivable from the Company's wholly-owned subsidiaries.

37. Financial risk management

Financial risk management objectives

The Group has exposure to the following risks from its use of financial instruments: credit risk, liquidity risk and market risk including interest rate risk, currency risk and price risk. Information about the company's exposure to each of the above risks, the company's objectives, policies and processes for measuring and managing risk is detailed below.

The Group's activities expose it to a variety of financial risk and those activities involve the analysis, evaluation, acceptance and management of some degree of risk or combination of risks. Taking risk is core to the business and the operational risks are an inevitable consequence of being in business. The Group's aim is therefore to achieve an appropriate balance between risk and return and minimise potential adverse effects on the Group's financial performance.

The Group's risk management policies are designed to identify and analyse these risks, to set appropriate risk limits and controls, and to monitor the risks and adherence to limits by means of reliable and up-to-date information systems. The Group regularly reviews its risk management policies and systems to reflect changes in markets, products and emerging best practices.

The Group's activities result in principal exposure to credit, liquidity, market and operational risks. An enterprise-wide risk management approach is adopted which involves employees at all levels. This framework is supported by sound risk management practices which include the establishment of enterprise-wide policies, procedures and limits, monitoring and measurement of exposure against established limits, ongoing realignment of business strategies and activities and the reporting of significant exposures to senior management and the Board of Directors.

37. Financial risk management (cont'd)

Financial risk management objectives (cont'd)

The Board of Directors has overall responsibility for the establishment and oversight of the Group's risk management framework. The Board's risk management mandate is principally carried out through the Audit Committee.

Audit Committee

The Audit Committee has oversight for the integrity of the financial statements and reviews the adequacy and effectiveness of internal controls and risk management procedures. The Committee also ensures compliance with internal, legal and regulatory policies, identifying, monitoring, measuring and reporting significant risk exposure and making recommendations in relation to management of risk.

This Board Committee also has direct responsibility for the management of statement of financial position risk which includes liquidity, interest rates and foreign currency risks.

(a) Credit risk:

The Group is exposed to credit risk, which is the risk that its customers or counterparties may default and could cause a financial loss for the Group by failure to discharge their contractual obligations. This arises principally from cash and bank balances, trade receivables, and long-term receivables. Credit risk is an important risk for the Group's business and management therefore carefully monitors its exposure to credit risk.

The Group controls credit exposure by maintaining a strict collection process. Lottery sale agents are required to remit cash collections weekly which are monitored on a weekly basis by identification and transfer to designated bank accounts. A process of suppression of agent activity is triggered for non-compliance.

(i) Credit review process

The Group's credit risk is managed through a framework which incorporates the following:

Cash and cash equivalent

The Group maintains cash resources with reputable financial institutions. The credit risk is considered to be low.

Trade and long-term receivables

The Group establishes policies and procedures which govern standards for granting credit and the process of continuous monitoring and measurement in relation to credit quality through industry delinquency and debt recovery management.

Trade receivables are monitored and managed by the Finance Department in collaboration with the Field Area Management team, who has responsibility for liaising with the sales agents on behalf of the licensed Group entity.

37. Financial risk management (cont'd)

(a) Credit risk (cont'd):

(ii) Impairment

The Finance Department conducts monthly and quarterly assessment of the trade receivable balances to determine whether there is a requirement for allowance for doubtful debt. There has been no material change in the Group's exposure to credit risk or the manner in which it measures and manages risk.

(b) Liquidity risk:

Liquidity risk is the risk that the Group is unable to meet its payment obligations associated with its financial liabilities when they fall due. Prudent liquidity risk management implies maintaining sufficient cash and marketable securities.

(i) Management of liquidity risk

The Board of Directors approves the Group's liquidity and funding management policies and establishes risk limits.

The Group's Finance Department has direct responsibility for the management of the day-to-day liquidity. The Audit Committee provides added oversight of the Group's liquidity risk exposure, within the policy and limits frameworks established by the Board.

The management of liquidity risk is carried out through various methods which include:

- Day-to-day funding, managed by monitoring future cash flows to ensure that requirements can be met;
- Maintaining a portfolio of highly marketable assets that can easily be liquidated as protection against any unforeseen interruption to cash flow within the local and international markets;
- Monitoring statement of financial position liquidity ratios against internal and regulatory requirements; and
- Maintenance of liquidity and funding contingency plans.

(ii) Liquidity and interest rate tables

The following table details the Group's and the Company's contractual maturity for its non-derivative financial assets and financial liabilities. The table has been prepared based on undiscounted contractual maturities of financial assets including interest to be earned, except where the Group and the Company anticipates that the cash flows will occur in a different period, and in the case of financial liabilities, based on the earliest date on which the Group and the Company can be required to pay.

37. Financial risk management (cont'd)

There has been no material change in the Group's exposure to liquidity risk or the manner in which it measures and manages risk.

(c) Market risk:

Market risk is the risk that changes in market prices such as foreign exchange rates, interest rates and equity prices will affect the company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return on risk.

The Board and management have responsibility for the monitoring of market risk exposures by way of measurements through sensitivity analysis. Market information and additional analysis are also used to manage risk exposure and mitigate the limitation of sensitivity analysis.

37. Financial risk management (cont'd)

(c) Market risk (cont'd):

There has been no material change to the Group's exposure to market risks or the manner in which it manages and measures risk.

(i) Foreign currency risk

Foreign currency risk is the risk that the value of financial instrument will fluctuate due to changes in foreign exchange rates.

The Group is exposed to foreign currency risk as a result of transactions that are denominated in a currency other than the Jamaica dollar. The main currencies giving rise to the exposure in the current year was the United States Dollar. The Group manages foreign currency risk through the establishment of limits for net open positions and matching foreign assets and liabilities as far as possible.

Foreign currency risk management

The Group manages its foreign currency risk by ensuring that the net exposure in foreign assets and liabilities is kept to an acceptable level by monitoring currency positions. The Group further manages this risk by holding foreign currency balances.

The following table summarises the Group's exposure to foreign currency exchange rate risk:

	The Group	
	2013 US$ '000	2012 US$ '000
Total assets	1,734	6,206
Total liabilities	(588)	(312)
Net exposure	1,146	5,894

	The Company	
	2013 US$ '000	2012 US$ '000
Total assets, being net exposure	48	48

37. Financial risk management (cont'd)

(c) Market risk (cont'd):

(i) Foreign currency risk (cont'd)

The Group:

The Group's sensitivity to a 1% increase/10% decrease in the Jamaica dollar against the USD, CDN and GBP is demonstrated below and represents management's assessment of the possible change in foreign exchange rates. The sensitivity analysis includes only outstanding foreign-currency-denominated monetary items and adjusts the translation at period end for a 1% increase or 10% decrease in the foreign exchange rates.

The sensitivity of a 1% increase/10% decrease in the relative value of the Jamaica dollar on the foreign currency exposure is reflected below:

	2013		2012	
	Increase 15% $'000	Decrease 1% $'000	Increase 1% $'000	Decrease 10% $'000

The Company:

The sensitivity of the Company to a 1% increase or a 10% decrease in the Jamaica dollar on the net United States dollar exposure would be $0.37 million/$3.70 million (2012: $0.04 million/$0.44 million).

(ii) Interest rate risk

Interest rate risk is the risk that the value of a financial instrument will fluctuate due to changes in interest rates. The Group is exposed to the effects of fluctuations in the prevailing levels of market interest rates on its financial position and cash flows. Mismatch of positions between assets and liabilities in periods of rising or declining interest rates may also result in loss of earnings. Management sets limits on the level of mismatch of interest rate re-pricing that may be undertaken. This is monitored on a periodic basis.

37. Financial risk management (cont'd)

(c) Market risk (cont'd):

(ii) Interest rate risk (cont'd)

Management of interest rate risk

Interest rate risk exposure is measured using sensitivity analysis. Interest rate risk is managed by utilising derivative instruments where necessary and maintaining an appropriate mix of variable and fixed rate instruments.

The Group's and the Company's exposure to interest rates on financial assets and financial liabilities are detailed in liquidity risk management [note 37(b)].

Interest rate sensitivity analysis

Interest rate sensitivity has been determined based on the exposure to interest rates for the Group's long-term loan receivable and short-term deposits at the end of the reporting period as these are substantially the interest sensitive instruments impacting the Group's financial results. For floating rate assets, the analysis assumes the amount of asset outstanding at the statement of financial position date was outstanding for the whole period. A 400 basis point increase or 100 basis point decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonable possible change in interest rates.
If market interest rates had been 400 basis points higher or 100 lower and all other variables were held constant, the effect on the Group's net surplus would have been as follows:

	The Group	
	2013	2012
	$'000	$'000
Effect on net surplus increase 400 basis points	34,321	44,552
Effect on net surplus decrease 100 basis points	(8,580)	11,138

There has been no material change to the Group's exposure to market risks or the manner in which it manages and measures risk.

(iii) Equity risk

Equity risks arise out of price fluctuation in equity prices. This risk arises out of holding positions in either individual stocks (non-systemic risk) or in the market as a whole (systemic risk). The goal is to earn dividend income and realise capital gains sufficient to offset the interest foregone in holding such long-term positions.

37. Financial risk management (cont'd)

(c) Market risk (cont'd):

(iii) Equity risk (cont'd)

Management of equity risk

Management sets limits on the level of exposure, and diversification is a key strategy employed to reduce the impact on the portfolio, which may result from the non-performance of a specific class of assets. Given the potential volatility in the value of equities and the non-interest bearing characteristics of these instruments, limits are set by the Board of Directors on amounts to be invested in them.

Equity price sensitivity analysis

The sensitivity analyses below have been determined based on the exposure to equity price risks at the reporting date.

If equity prices had been 10% higher/lower, profit for the year ended December 31, 2013, would have increased/decreased by $0.383 million (2012: $1.289 million) for the Group and the Company.

(d) Capital management:

The capital structure of the Group consist of equity attributable to the shareholders of the parent company comprising issued capital, reserves, retained earnings and cash and bank balances.

The Group's objectives when managing its capital structure, which is a broader concept than the 'equity' on the face of the statement of financial position, are:

(i) To comply with the capital and cash reserve requirements set by the regulators;

(ii) To safeguard the Group's ability to continue as a going concern so that it can continue to provide returns for stockholders and benefits for other stakeholders; and

(iii) To maintain a strong capital base to support the development of its business.

As of February 28, 2013, the lottery and sports betting licences were re-issued to Prime Sports (Jamaica) Limited. Inter alia, the licensing requirements require an equity capitalisation of not less than $500 million [see also note 38 (b)]. At the end of the reporting period the entity was not in breach of its licensing requirements.

There were no material changes to the Group's approach to capital management during the year.

37. Financial risk management (cont'd)

(e) Fair value of financial instruments

Fair value is the amount for which an asset could be exchanged, or a liability settled, between knowledgeable, willing parties in an arm's length transaction. A market price, where an active market (such as a recognised stock exchange) exists, is the best evidence of the fair value of a financial instrument. Market prices are not available for some of the financial assets and liabilities of the Group. Fair values in the financial statements have therefore been estimated using present values or other estimation and valuation techniques based on market conditions existing at the end of the reporting period. Generally, considerable judgment is necessarily required in interpreting market data to develop estimates of fair value. Accordingly, the estimates presented in these financial statements are not necessarily indicative of the amounts that the Group would realise in a current market exchange.

The following methods and assumptions have been used:

(i) The fair value of cash and cash equivalents, short-term investments, securities purchased under resale agreements, accounts receivable and accounts payable are assumed to approximate their carrying values due to their relatively short-term nature. The fair value of quoted investments is at market value. This method falls within the level 1 fair value hierarchy and is defined as quoted prices (unadjusted) in an active market for identical assets. The fair values of other investments are assumed to be cost, less provision for impairment

(ii) The carrying value of long-term receivables approximate their fair values as these receivables are carried at amortised cost and the interest rates are reflective of current market rates for similar transactions.

(iii) Quoted shares classified as available-for-sale are measured at fair value by reference to quoted market prices. Unquoted shares are stated at cost less impairment adjustments.

(iv) The carrying value of long-term loans approximate the fair values as these loans are carried at amortised cost reflecting their contractual obligations and the interest rates are reflective of market rates for similar loans.

37. Financial risk management (cont'd)

(e) Fair value of financial instruments (cont'd)

Fair value measurement recognised in the statement of financial position

	2013			
	Level 1 $'000	Level 2 $'000	Level 3 $'000	Total $'000
Available-for-sale financial instruments				
Quoted shares	3,828	-	-	3,828

	2012			
	Level 1 $'000	Level 2 $'000	Level 3 $'000	Total $'000
Available-for-sale financial instruments				
Quoted shares	12,876	-	-	12,876

38. Contingencies and commitments

(a) Contingencies – litigations:

Epsilon Global Equities:

On December 15, 2008 a civil suit was filed by Epsilon Global Equities Limited (Epsilon) citing as defendants the Company and its founding shareholders. The matter was decided in 2011, with a judgment in favour of the shareholders and the Company. Epsilon appealed the judgment. It is expected that the appeal will be heard by November 2014. Attorneys representing the defendants expect the Company to succeed and that the appeal will not result in a financial liability to the Company.

Talisman Capital Alternative Investment Fund and EGE Limited:

In August 2012, a civil suit was filed in the Courts of Florida, USA, by Talisman Capital Alternative Investment Fund and EGE Limited citing as defendants the Company and certain of its shareholders. This suit is in respect of the same issues decided in the Supreme Courts in Jamaica in favour of the Company and some of its shareholders (see above).

In April 2013, the Federal bankruptcy court in Florida granted a motion by SVL and other defendants to dismiss the complaint. The plaintiffs then filed objections to the dismissal. Subsequently, the court granted a motion by SVL and other defendants to strike the objectives. The plaintiffs then moved for reconsideration of the order. The court denied the plaintiffs motion for reconsideration. The plaintiffs have appealed this order.

The attorneys representing SVL in the USA expect its position to be upheld by the Florida Courts, as has been successfully done in the Jamaican Courts.

38. Contingencies and commitments (cont'd)

(b) Contingencies - Guarantees:

Pursuant to the Articles of Incorporation of the company and a resolution of the directors, the company has issued a duly executed and stamped deed of debenture and a duly executed guarantee to the Betting, Gaming and Lotteries Commission (BGLC). The Company and the BGLC have agreed that the secured debenture and the guarantee constitute compliance by the subsidiary, Prime Sport Jamaica Limited (PSJL), with the requirements of the licence granted by BGLC that the equity capitalisation of PSJL be not less than $500 million, and PSJL will accordingly be treated as having $500 million of shareholders' equity for the purpose of the condition of the BGLC licence that refer to shareholders' equity. Accordingly, BGLC will hold the Company responsible and liable for any breaches of the licence by its subsidiary, PSJL.

(c) Contingencies – Prime Sports Jamaica Limited:

In accordance with requirements of the Betting, Gaming and Lotteries Act to grant Bookmakers permit, the subsidiary Prime Sports Jamaica Limited executed a performance bond guarantee arrangement with Bank of Nova Scotia Jamaica Limited (BNS) for an amount of $25.0 million. Under the said performance bond covering the period April 14, 2011 to April 13, 2015, BNS would pay on demand any sums which may from time to time be demanded by the Betting, Gaming and Lotteries Commission up to a maximum aggregated sum of $25.0 million. The bank guarantee is secured by a hypothecated term deposit of $25.0 million by the subsidiary, which is included in the Group's cash and bank balances.

(d) Contingencies - Super Lotto Jackpot Liability:

As required under Condition 7 attached to the approval granted by Betting, Gaming and Lotteries Commission (BGLC) to promote the multi-jurisdictional game, 'Super Lotto', the company, as the applicant, has made arrangements for a stand-by financing facility of $600 million from Bank of Nova Scotia Jamaica Limited. Under the said stand-by facility which is renewable annually, BGLC has been identified as the beneficiary in order to ensure that a Super Lotto jackpot winner in Jamaica is settled with the prize money and also to ensure that the necessary taxes on such a prize payment is settled with the revenue authorities in Jamaica.

(e) Commitment - Licence fees to Betting, Gaming and Lotteries Commission (BGLC):

In accordance with conditions attached to the lottery licences granted by BGLC, annual licence fees of $26.4 million falls due for payment each year.

38. Contingencies and commitments (cont'd)

(f) Capital commitments:

	The Group	
	2013	2012
	$'000	$'000
Furniture, fixtures and equipment	-	2,426
Software development	1,982	-
Gaming equipment	-	49,261
Leasehold improvements	2,308	18,066
	4,290	69,753

(g) Commitments – other:

Commitments in respect of sponsorship agreements by the Group are as follows:

2014	2015	2016
$'000	$'000	$'000
34,500	12,000	10,000

39. Change in accounting policy

On December 31, 2013 the Group changed its accounting policy with respect to freehold land and buildings from the revaluation model to the cost model. The change was made on the basis that it will result in a more reliable and relevant presentation of the carrying amounts of the items in the current economic environment.

The change in accounting policy was applied retrospectively. The effects of the adjustments are detailed below:

	The Group			
	Property and equipment	Revaluation reserve	Deferred tax (assets)/liabilities	Retained earnings
	$'000	'$000	'$000	'$000
Balances at December 31, 2011				
As previously reported	1,965,202	160,350	61,098	1,293,238
Effect of restatement	(206,727)	(160,350)	50,242	3,865
As restated	1,758,475	-	111,340	1,297,103
Balances at December 31, 2012				
As previously reported	2,132,985	237,163	315,248	1,755,893
Effect of restatement	(285,654)	(237,163)	56,221	7,730
As restated	1,847,331	-	371,469	1,763,623

Effect on total comprehensive income for year ended December 31, 2012	$'000
As previously reported	1,146,037
Prior year adjustment (see below)	(72,948)
As restated	1,073,089

39. Change in accounting policy (cont'd)

	The Group $'000
Effect on profit for the year ended December 2012	
Decrease in depreciation being increase in profit for the year	3,865
Effect on other comprehensive income for year ended December 31, 2012	
Reversal of deferred tax on revalued property	5,979
Reversal of gain on revaluation of property	(82,792)
Decrease in other comprehensive income	(76,813)

	The Company			
	Property and equipment $'000	Revaluation reserve $'000	Deferred tax (assets)/liabilities $'000	Retained earnings '$000
Balances at December 31, 2011:				
As previously reported	238,265	38,180	37,608	1,018,162
Effect of restatement	(54,260)	(38,180)	(17,420)	1,340
As restated	184,005	-	20,188	1,019,502
Balances at December 31, 2012:				
As previously reported	202,194	38,206	25,356	1,207,011
Effect of restatement	(47,428)	(38,206)	(11,902)	2,680
